Chartered December 9, 1920      Incorporated  
Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

January 3, 1979

Program for Next Week: Mike Chapman, new Sports Editor for the Cedar Rapids Gazette, will be our guest.

Program for January 3 - "A delightful and informative program" aptly describes Jack Laugen's "A Norwegian Story." Although it wasn't announced as humorous, songs like "Who Hid the Halibut on the Poop Deck" and "The Wedding Song" even brought smiles to the faces of the Swedes among us.

Interesting facts included:

- \* The impetus behind the Norwegian immigration to the U.S. included a poor economy in Norway, a search for religious freedom, and the simple yearning for adventure.
- \* During the height of the immigration over 800,000 Norwegians came to America.
- \* Early immigrants passed over the rich prairie land, believing that the best land also had to support trees.

Anniversaries - Dick Chandler      January 6, 1971  
                         Roger Bottazzi      January 4, 1978

Guests included Tom Flattery, who was the program "sound engineer", Kim Block, guest of his father Del, and Kerry Mann, who was Don Aanestads' guest.

Congratulations to Lieutenant Governor Charlie McIntyre, our "Kiwanian of the Year." Charlie was overwhelmed by the experience and expressed his appreciation to President Jim in "flowing" terms. Had there been a short in the mike, "You Light Up My Life" would have been really appropriate.

Don't forget to set aside Saturday, March 17, 1979, for our Annual Kiwanis Farmers' Breakfast. Pytr Knoll and Mike Long are in charge.

Note from the January Board Meeting - The Marshall Fund has been discontinued effective February 1. Money that has accumulated in the fund will be transferred to the Youth Fund.

Can You believe? Five Interclubs already this year! (Thanks, Del-cooperation has been great!)

SOUL FOOD      -Norman L. Bales-      via Al Gee

People often stop doing worthwhile things because of critics. Criticism is as old as Cain. The list of worthwhile people who have been criticized is long. A study of Biblical heroes will reveal that each one drew his share of flak. Some of those who received criticism were Moses, David, Elijah, Paul, Peter and the Lord Jesus himself.

Criticism is sure to come if you are doing anything at all. Criticism may be a sign that you are doing something effective. Nobody chunks rocks at dead dogs. If you let the critics stop you from any worthwhile activity, you lose and they win. In the Old Testament, Nehemiah was being criticized for his method of reconstructing the walls of Jerusalem. The critics demanded a conference. I like Nehemiah's response. He said, "I am doing a great work so that I cannot come down." (Nehemiah 6:3)

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920      Incorporated  
Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

January 10, 1979

Meeting for January 17: Our guest will be Dr. George Carlson, Pastor of First Lutheran Church. His subject will be: "Time For Hope".

Program for January 10: Speaker for the day was Mike Chapman, Sports Director for the Cedar Rapids Gazette. Mike shared his philosophy of sports and answered most of the questions thrown at him (with the exception of a stand-off with Bob Rush). Salient points of his presentation included the following:

- Muhammed Ali's fights are on the level ( sorry Bob ).
- The latest Russian sport ( sounds like Zamba ) is a special kind of wrestling where you can choke your opponent "until you see the whites of his eyes".
- Hayden Fry could be just what Iowa needs.
- Dan Gable is the "greatest".
- Vern Ganya's "sleeper" really works.
- Girl's professional basketball won't cut it financially.
- A good sports writer doesn't promote sports activities; he reflects the interest of his community.

Sorry J.C.....we have been informed by Gregory's that the cost of the salad plate has been increased by 40% (from \$2.50 to \$3.50) while the cost of a regular meal remains at \$4.00 (salad included so far).

Happy Anniversary to Bob Omer, January 10, 1978, to Bill Schneider, January 10, 1975, and to Frank Race, January 12, 1949.

Happy Birthday to Al Gee, January 8, and to Bob Blinn, January 13.

Welcome again to Perry Hummel, past Lieutenant Governor of Vinton.

Del Block announced another Inter-club for this Tuesday, January 16, at Central City.

March 17 may seem like a long way off but it's not too early to get the Farmers' Breakfast on your calendar.

GLORIOUS FAILURES

- Norman Bales

via Al Gee

Sometime ago my son was involved with the Key Club in another city. One evening parents were invited to attend a special club meeting. I expected the speaker to talk to the boys about successful living. Instead he challenged them to fail.

He said, " If you succeed at everything you attempt, I can only conclude that your goals are too low. A person who never fails isn't trying to do very much. On the other hand, when you set your goals high, you are going to fail to achieve them part of the time. The person who sets his goals high and falls short of them achieves far more than the person who sets his goals too low and always realizes them. Therefore, I challenge you, gentlemen, to fail. "

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

January 17, 1979

NEXT WEEK'S PROGRAM: Our guests will be Dr. Bill Spellman of the Economics Faculty at Coe College, and Mr. Roger Schmidt of Dain, Kalman and Quail. Dr. Spellman will speak on "Trends in the Economy for 1979" and Mr. Schmidt will explain how these trends will affect stocks and bonds.

MEETING FOR JANUARY 17: An excellent program was brought to us by Dr. George Carlson of First Lutheran Church in Cedar Rapids. His presentation was entitled: Time for Life. Dr. Carlson shared some of his own experiences relative to his heart attack and urged members of Kiwanis to slow down and live. One of the major contributors to heart disease is stress, and "Type A" personalities are the most apt to experience it. Characteristics of the Type A person include an aggressive approach to life, a deep sense of commitment, highly organized, a chronic hurrier (a yellow-light runner) etc. Dr. Carlson encouraged us to read the book: Type A Behavior and Your Heart by Friedman and Roseman which is available in paperback and can be checked out at your local library. Thanks to Bob Omer and Claude Jones for song leading and prayer.

WELFARE REPORT: A "speedy recovery" to Pytr Knoll who was in St. Luke's as a result of an automobile accident (on his way to play tennis). Pytr was released from the hospital on Thursday and we trust he will be completely recovered soon.

GUEST of Aaron Randolph was the head of the Criminal Justice Department at Mt. Mercy College, Neal Hollander. (Is nothing sacred anymore?)

BOWLING REPORT: The team came within three pins of taking the whole thing. The final score for the men was 6 out of 8. So far the Ladies Auxilliary is 2 out of 5. (My wife may never let me go bowling again!)

SOUL FOOD - THE AMERICAN ILLUSION - By: Norman Bales via Al Gee

The American people are fond of believing certain illusions about life. One such illusion is the belief that an economic utopia is the answer to man's deepest needs. Provide him with economic security and his problems will all vanish into thin air -- right? -- wrong. Middle class Americans have more economic security than anyone in the world. We fill our carpeted palaces with all kinds of labor saving devices that go snap, crackle and pop. The home is filled with appliances that whir, pulsate and buzz. Gone is the backbreaking drudgery that was so common among our forefathers.

How, then, do we explain our ulcers, heart palpitations, coronary thrombosis, and other miseries which are brought on by stress? Why do we consume tons of tranquilizers, aspirin and alcohol? The belief that "a chicken in every pot" will satisfy man's deepest needs is an illusion that rests on a foundation of cotton candy. Maybe it is about time for us to remember that "a man's life consisteth not in the abundance of the things he possesseth." (Luke 12:15)

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920  
Incorporated  
Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

January 24, 1979

Next Week's Program - January 31. Our guest will be Jim Burk, President of Wilson Learning Corp. of Iowa. His subject will be: Developing Interpersonal Relationships. Wilson Learning Corp. (based in Minneapolis) is in the business of teaching people, most of them from the business world, to understand other people and how to get along with them in an age of "rapid change and resulting conflict." The company operates on the theory that results can only be achieved if people are persuaded and motivated, not coerced.

Meeting for January 24 - After "President Jimmy" gave his "state of the Kiwanis" message and Bob Armstrong shared his how-to-make-money-for-fun-and-profit-venture, Roger Schmidt, associate Vice President with Dain, Kalman, and Quail, talked to us concerning economic trends in the future. He doesn't see any 1930 type depression coming at all, but looks for a recession in the 2nd or 3rd quarter of 1979. He suggests investing in such companies as Union Carbide, IBM, and the cosmetic industry, but sees a softening in the real estate market and suggests caution. He also noted that crowd psychology greatly affects the market and that one should be careful about going with the crowd.

Guest: Joe Russell of Merrill Lynch, Pierce, Fenner, and Smith, was a guest of Bob Armstrong.

Welfare Report: Pytr Knoll is recuperating at home and waiting for you to call and volunteer for Pancake Day, March 17. (Our Welfare Chairman, Bob Rush, is suffering from an over-dose of snow, which rendered him incapable of leaving his garage.)

Bowling Report - Everything was positive but the score.

New Member Induction next week will include: Frank Vavaris, Gary Speicher, Don Sales, Sherwin Taradash, Dan Roddewig, Tom Saxton, Richard Nemec, Frank Siebrecht, Ron Bevers, Jeff Albertson, and Robert Klima.

February Board Meeting on Tuesday, February 6. This meeting, like all others, is open to the membership. Plans are that this one will be held at Stouffer's.

February Program Chairman is Ron Moore.

## WHY PROMOTE GROWTH

If we truly believe that what we are doing is correct; if we accept emotionally and intellectually that Kiwanis is a superior force for good in our country and in the world, then there is no way we can overlook our obligation to expand this force through new members and new Kiwanis Clubs.

Note that I have used the phrase "to develop Kiwanians."

Kiwanians are made, not born. It is the club leadership (and particularly the President) that has the opportunity to change a man from a member of Kiwanis to a KIWANIAN, and there is a difference.

The leadership that keeps its members up on Kiwanis facts and methods of operation..  
The leadership that reports its projects internally to the members and externally to our District and International Offices plus to local community news sources....  
The leadership that makes its members feel that they are part of a group performing worthwhile service programs in response to local need.....

That leadership has gone a long way toward developing Kiwanians.....

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

January 31, 1979

Program for Next Week - February Program Chairman, Ron Moore, will be presenting Donald Salyer, Director of the Cedar Rapids City Planning Commission as our guest speaker.

Program for January 31 - Jim Burk, from Wilson Learning Institute and a fellow Kiwanian, spoke to us concerning relationship tension and task tension. Interpersonal relationships and self development need to be more of a concern of business because it does affect productivity. He went on to mention that 63% of the population don't perceive themselves as others perceive them. Jim reminded us of the importance of recognizing that people are not all the same and we need to accept people with their strengths and weaknesses.

Guests - Don Williams was the guest of Jim Oetken, Winston Zenet was the guest of Larry Speicher, and Joe Nichols came along from Wilson Learning Institute.

Anniversary - Pytr Knoll January 29, 1978

Birthday - Dick McConnell January 30

Pancake Day March 17 - Co-Chairman Pytr Knoll distributed the ticket sales teams and challenged everyone to get fired up to do a great job (see enclosed list). It was good to see Pytr back after recovering from his accident.

Installation of New Members: Lt. Governor Charlie McIntyre refreshed everyone's memory concerning Kiwanis objectives. President Jim inducted the following men into the club:

Frank Siebrecht and J. Ron Bevers, sponsored by Jim Oetken; Richard Nemecek and Sherwin Taradash, sponsored by Ed Sandler; Tom Saxton and Jeff Albertson, sponsored by Ron Moore; Bob Klima, sponsored by Charlie McIntyre; Don Bales, sponsored by Joe Greenlief; and Dan Roddewig, sponsored by Dick Landis.

Kiwanis is still looking for a pianist. New members are urged to come forward and reveal their talent. Or if an older member is hiding his light under a basket, he can arrange an audition with President Jim anytime.

The rumor that our next Board Meeting (February 6) would be held at Stouffer's is false. It will be at the Roosevelt. Also, the rumor that President Jim is leaving town is false. He's decided to go back to work and to do so in the City of Five Seasons. (Relax, Wally!)

Your Editor,  
John Little

P.S. Special thanks to Bob Dye for note-taking on this issue.

WEEKLY  
NEWS  
BULLETIN

FEBRUARY 7, 1979

Program for February 14 - Dr. Richard Schultz will be our guest speaker. Dr. Schultz is the Assistant Superintendent of the Cedar Rapids School District.

Programs Coming Up - February 21: Glen Patton, SUI Swimming Coach  
February 28: Sister Mary Justin, recently returned from Guyana where she lived close to Jim Jones and his settlement.

Program for February 7- Don Salyer, Director of Planning and Development in Cedar Rapids, came to share what has been done in the past in Cedar Rapids regarding urban renewal and development, as well as continuing and projected plans. A lot of exciting things have been happening in Cedar Rapids in recent years and Don and his staff are the force behind much of it. Don closed his presentation with a plug for the Bus, suggesting that if most Kiwanians had to go over 4 blocks they needed help!

Welfare Report - Although all Kiwanians are well, we were sorry to hear that Mrs. Joe Stenner was ill and wish her a speedy recovery.

" Slivers from the Board " ....The Board voted to approve three \$50. scholarships for 1979 for the " Dollars for Scholars " program .... heard a fine letter read by Al McIvor directed to Manufacturers and Businesses, with no service club membership, inviting them to join Downtown Kiwanis.... accepted with regret the resignation of Bruce Thorsen and Tom Anderson ... adopted as our Pancake Day project six canoes for Youth for Christ....approved Joe Russo for membership in the club...planned March Board Meeting for Stouffer's... and also talked of "septic tank invasions" and " Marshall Plans" etc.

Birthdays: Joe Greenlief February 5  
John Plamer February 7  
Verne Haaland February 9  
Bob Omer February 10

Anniversaries : Bill Pohorsky February 5  
Ed Sandler February 8

Guests - Mimi Meffert, guest of her father, Bob Armstrong. Mimi encouraged Kiwanians to attend the Laver-Geralitis Tennis Match on March 12 at the Five Seasons.

John Ma was the guest of Ed Seger.

Hey, Gang, drag out those old tennis shoes and sweat sox. We're participating in the Service Club Olympics this year. ( Did you know that Downtown Kiwanis actually originated these games? )

Your Editor,

John Little

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

February 14, 1979

Program for February 21 - Our speaker will be the University of Iowa Swimming Coach, Glen Patton.

The February 14th Program - got off to a fine start with Ed Colton leading us in that old Valentine's favorite, "Let Me Call You Sweetheart," (howbeit, not as effective in a roomful of men). Dr. Richard Schultz, Assistant Superintendent of Schools in Cedar Rapids, then shared his version of the "3 R's" with us: "resources, recollections, and realities." The magnitude of the economics in education was highlighted by Dr. Schultz, who pointed out that \$41 million a year is spent on education in Cedar Rapids. 21,400 students are served and 2500 people are employed in the education of those students. This breaks down to about \$10 per student per day and a total payroll of about \$1 million per week. (One of Dr. Schultz's unanswered questions had to do with the definition of a "diller." Maybe we could ask "Fang.")

Guests: Rob Silvers was a guest of Dan Roddawig, Clem Ryan's host was Rudy Silvers, Jim King was Bill Jameson's guest, and Charlie McIntyre had Bob Rider as his guest.

Pancake Day, March 17 - St. Patrick's Day. No green pancakes, but there will be a green van representing Kiwanis in the parade that day. Mike Long and Pat Knoll are going all-out in regards to promotion and incentive. The top Kiwanis Salesman gets a ski weekend in Dubuque at the Holiday Inn (or dinner for two at a local restaurant). The winning team will be eating steaks on March 21.

March Board Meeting on the 6th will be at Stouffer's.

The Service Club Olympics are just around the corner. Dan Roddawig is the Kiwanis coach. Call him if you would like to participate.

Kiwanian of the Week - Don Aarnestad (like "honest Ed"). After 2 years in the Army and a stint with Collins, Don joined Ohio National Life Insurance. His agency primarily deals in Estate Planning, and business insurance. Don and his wife Carol have two children: Pam, who is married, and Erik, a high school sophomore and (Don proudly adds) an Eagle Scout. Don is a Charter Life Underwriter (CLU). Good to have you in Kiwanis, Don.

Some time ago, as I watched the "Blue Angels," a precision group of jet pilots, streaking across the sky in perfect formation, executing hair-splitting maneuvers at speeds up to 700 miles an hour, I realized how important timing was. Their amazing coordination was the result of spending hours together, not only flying together, but also living together in an intimate relationship of trust...A lot of time and effort was involved. If one man failed to take his responsibility seriously, he could endanger the entire crew. For each of them cooperation was a matter of life or death. They had to trust each other.

As Kiwanians, our relationships may not be quite as vital as the Blue Angels, but cooperation is still the key to a successful club.

John Little

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

February 21, 1979

Program for February 28 - Our guest will be Sister Mary Justin, who recently returned from Guyana where she lived close to Jim Jones and his settlement.

The February 21 Program featured Glen Patton, Swimming Coach at the University of Iowa, where in 1978 the Iowa team was undefeated in Big Ten competition and have a 7-2 record this year. Glen coached at Alfred Tech (which incidentally was Mrs. Coral Dye's Alma Mater) and was Coach of the Year 3 times in the Junior College Circuit. He is much impressed with Cedar Rapids high school swimming stars and hopes to see them at U. of I. Other remarks included:

- \*the fact that Lute Olson will definitely remain at Iowa (for at least 10 days)
- \*a questionable chicken salad recipe
- \*a prolonged discussion with Bob Rush on what makes a swimmer float

Inter-Club at Vinton next Monday night, February 26. Call Del Block if you can attend.

Our Kiwanian of the Week is Robert Armstrong, native Cedar Rapiidian and next door neighbor to Mamie Eisenhower. Bob was a West Pointer, ready to sail when the Armistice was signed, and after graduating from Harvard Business School, came back to Cedar Rapids where he has remained ever since. Bob summed up his philosophy of life by stating that there is no place like Cedar Rapids, that you are no older than you think, and that you can avoid a lot of worry by just remembering that the Lord is in control. Good thoughts, Bob; we are glad to have a Kiwanian like you.

Anniversary - Claude Jones February 22, 1978

Happy Birthday to Mike Kennedy who is trying to avoid too much sun and heat down in Florida and will be back about April 1.

Guest for the day was Mike Simmons, whose host, Rudy Silvers, announced that Mike wanted to become a Kiwanian.

Bowling Report - The team is on the upswing again, thanks to John Emmons. The score was 4 out of 8.

Service Club Olympics - Coach Dan Roddawig will be signing'em up next week.

There are two nominees for the vacancy created on the Board when Ken Hunter left. Nominees are Don Aanstad and Joe Greenlief.

Welcome to Jim King, our Kiwanis Club newest new member.

Don't forget those tickets for the Old Fashioned Farmers Breakfast on Saturday, March 17.

Archbishop Temple tells of a mischievous boy who got inside a store window and put the low price tags on high-price merchandise and vice versa. The Archbishop concluded that that is the trouble with many of us today. We put too high a price on non-essentials and not enough value on the things that count.

Take a minute NOW to think about Kiwanis. Ask yourself what kind of club would we have if every member were like you. Can anything be done about it? Why not start by deciding right now to be a regular attender every week?

Your Editor,  
John Little

WEEKLY  
NEWS  
BULLETIN

February 28, 1979

Next Week's Program - March 7 - Our guest will be Keith Black of Grant Wood Area Education. Keith is a special education counselor and will share, by way of slides and comments, the story of the Special Olympics.

Program for February 28 - Ron Moore introduced our guest, Sister Mary Justin, a native of Bernard and a high school science teacher who, after a variety of assignments, went to Guyana in South America where she taught in the science department and coached cricket and soccer teams.

She pointed out that Guyana is a communist-police state and besides writing her own books and building her own furniture, she spent much of her time just practicing survival techniques. Much of the time she taught in the presence of machine guns and spies and lived in an atmosphere where to disagree meant death.

Sister Mary's diet consisted mainly of bush hog, lizard, and snake. She lived much of the time in the jungles with the natives. She could be described as a very brave lady who had to walk a very narrow path. A part of the miracle has to be that following more opportunity to train, Sister Mary will head back to Guyana the first chance she has.

Service Club Olympics - begin this Sunday at the Central YMCA on the following schedule:

Chess	1:30 p.m.	Indian Guide Room
8-Ball Pool	1:30 p.m.	Senior Men's Room
Badmitton	1:30 p.m.	West Gym
Pinochle	1:30 p.m.	Mott Room
Handball	1:30 p.m.	New Courts
Checkers	1:30 p.m.	Board Room
Cribbage	1:30 p.m.	Mott Room

(John Emmons will represent the club in the Liar's Contest.) If you want to participate, call Dan Roddawig immediately and he will tell you where the openings are.

Board Meeting Tuesday, March 6, at Stouffer's. We need at least 20 Kiwanians or more to attend. A decision concerning the location of future regular meetings is forthcoming. We will meet in the Benton Rooms 1 & 2.

Anniversary - Adoph Helm February 27, 1963

Next Week's Kiwanian of the Week: Jeff Albertson and Jerry Banes

Congratulations to Joe Greenlief, elected at Tuesday's meeting to fill the term on the Board of Ken Hunter.

Guests: Jerry Eyman was the guest of Ed Sandler and Mike Simmons was Ed Colton's guest. Mike, by action of the Board, is our newest new member.

Our Inter-Club Chairman, Del Block, continues to rack 'em up. Bernie Taymans, Rudy Silvers, Ed Colton, and Charlie McIntyre were at Vinton on Monday. Del went bowling and wasn't sure about what happened! The bowling team agree that he is a great Inter-Club Chairman.

Pancake Ticket Sales - Don't forget to get yours sold!

Your Editor,  
John Little

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

March 7, 1979

Next Week's Program - Our guest will be Torrance Carlson, Fine Arts Coordinator for the Cedar Rapids School District.

Program for March 21, at press time, is still being worked on.\* (see below)  
On March 28 our guest will be Clare Rice, President of the Avionics and Missiles Group at Rockwell International.

Program for March 7 was a very intriguing program presented by Keith Black, Grant Wood Area Education Agency, who is a consultant in the area of special education for Grant Wood. Keith presented a heart-warming and thought-provoking series of slides on the Special Olympics, which is a program of sports and recreation for the mentally handicapped. Originating in 1975, the Special Olympics has grown rapidly. Its lower age limit is 10; it has no upper age limit. The Games follow the regular Olympic format, complete with parade, torch, etc., and covers events including volleyball, track and field events, basketball, soccer, frisbee, and an art contest. Their theme is one that would serve us all well in all areas of living: "Let me win, but if I cannot win, let me be brave enough to attempt." An excellent program.

Our Kiwanians of the Week were Jeff Albertson and Jerry Banes. Jeff works for the Moore Insurance Agency. His wife, Lois, works as a nurse at Mercy Hospital, and they have a daughter, 1 year old, who is indeed one of a kind. Sarah is the first girl born in the Albertson line in almost 80 years. Jeff appreciates the Kiwanis emphasis on youth and also the opportunity to share with the more experienced members.

Jerry Banes is a dentist in the Higley building. His wife, Anne, teaches part-time at Coe. The Banes have two children, Susan and John. Great to have these two men as members of Kiwanis. (It should be noted that Jeff and his family attend St. Pius' Catholic Church.)

Mike Simmons, Frank Siebrecht, and Don Bales were officially welcomed to the club and presented packets.

Guests - David Heaton was a guest of Adolph Helm, Mike Greene was guest of Joe Russo, and an old friend, Ken Rudd was a guest of Bob Rush.

Anniversary - C. R. Fahrney March 6, 1940 Really a bunch of years! Congratulations, C. R.

Birthday - Chuck Loomis March 6

Pancake Day - March 17. Advance ticket sales are not all they could be. However, we can still surpass last year's goal if we do our very best to sell those thirty tickets allotted to us! Remember: steaks for the winning team on March 21 plus a Ski Weekend for the #1 Salesman. Also, don't forget to be there to work at the time you signed up for. Posters and tickets are still available.

Congratulations to Past President Dick McConnell, recently recognized as a Distinguished Officer in the 1977-78 year by Kiwanis International.

You are invited to attend the banquet on March 30 in Omaha honoring Kiwanis International President Bill Solberg and his wife, Arlene. Details are in the District Bulletin. If you can attend, contact President Jim before March 23.

\*Late note: Our guest on the 21st will be Assistant Coach Bernie Wyatt, Recruiting Coordinator at the U of I.

Your Editor,  
John Little

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

March 14, 1979

Next Week's Program: On March 21 our guest will be Assistant Coach Bernie Wyatt, Recruiting Coordinator for the University of Iowa.

The March 28th Program will feature Clare Rice, President of the Avionics and Missles Group at Rockwell International.

On March 14 Torrance Carlson, Fine Arts Coordinator for the Cedar Rapids Schools shared his philosophy of the Arts with us. Mr. Carlson, who is a native of Wisconsin, has been in Cedar Rapids since 1954 when he served in the music department at Jefferson High School before assuming his present position. He pointed out the need for the arts emphasis to provide a balance in our individual lives and in society. Although he supported the "back to basics" concept in education, he firmly believes that you should "take art along."

Olympic tally - The final figures are not in but this one thing we know: Big John Emmons took it all in the Liars Contest. As far as the rest of us were concerned, let's talk about bowling.

Kiwanian of the Week: Sandy Batchelor left Dundee, Scotland, at the ripe old age of 9 months. A resident of Moline, Illinois, for a number of years, he worked for John Deere "sending form letters to farmers." Following 2 years overseas with Uncle Sam, where his wife Audrey also served, they came back to Cedar Rapids where Sandy has been selling cars for Allen's ever since. Great to have you in Kiwanis, Sandy.

Next week it's Don Bales.

Congratulations to John Ma, Bill Steadman, Dave Hansen, and Mike Green, newest members recently given board approval.

Guests: Les Sykora, guest of Tom Heabel; Bob Thiersch, guest of Don Aanestad; Bill Steadman and Dave Hansen, guests of President Jim; Tom Gonzales, guest of Aaron Randolph; and John Ma, guest of Ed Seger.

Birthdays: Wally Brown - March 12; Ernie Kosek - March 13; Vic Bock - March 14; Bob Dye - March 15

Anniversaries: Clyde Sanborn - March 13, 1932; Bill Jameson - March 17, 1965; Don Aanestad - March 14, 1974; Jim Manville - March 15, 1950; John Little - March 15, 1974; Burt Hynden - March 16, 1955; and Al Gee - March 17, 1965

Perfect Attendance pins will be awarded next week to Wally Brown (2), Eldon Colton (15), James Downing (9), C. R. Fahrney (21), Clarence Fenner (43), Albert Gee (6), Tom Heabel (5), William Jameson (9), Duane Kurrelmeyer (3), Ora Lawrence (5), John Little (1), Richard McConnell (3), Charles McIntyre (7), James Oetken (4), Bob Rush (1), Edwin Seger (1), Howard Vander Schaaf (4), Del Block (21).

Gregory's has informed us that as of April 1 the new price for the buffet will be \$4.50. If we choose a sit-down meal the price would be \$4.25. The board has considered other options and would like your input. Please talk to one of the officers or board members before the April 3 Board Meeting. They include: Officers - James Oetken, Wally Brown, Kim Steveley, Howard Vander Schaaf, Duane Kurrelmeyer, and Richard McConnell. Board members are Bernie Taymans, Joe Greenlief, Denton Schultz, Bill Windus, Bob Blinn, Ed Seger, and Mike Stoffregan.

Editor's note: Beginning this week, the Kiwanis News will go to press on Thursday morning instead of Friday. It is hoped that this will get the paper to you before Monday. Program Chairmen, take note.

Your Editor,  
John Little

BULLETIN

March 28, 1979

Next Week's Program - April 4: Appearing will be the "Season Tickets," a musical revue group of the Cedar Rapids Community Theatre, and CRCT Managing Director, Mick Denniston, who will talk about the 1979-80 season of plays at the theatre and other future plans of the organization. April Chairman is Bob Armstrong.

The April 11 program will feature a film entitled, "Where Have All The Children Gone?"

Program for March 28 (Thanks to Howard Vander Schaaf for the notes) Don Aanestad introduced Clare Rice, President of the Avionics and Missiles Group of Rockwell International, who indicated that the future for the company looked very positive. At present a 9 million dollar Advance Technological and Engineering Center is being built in our city. 455 professionals were recruited for Cedar Rapids in 1978 and 500 more are hoped for in 1979.

The Rockwell Collins Flight Operations Center at the Cedar Rapids Airport has been a very busy place with aircraft from all over the world in for service.

Mr. Rice anticipates a 12 to 15% increase in sales over the next five years. He believes the company growth strategy should weather cyclical down-turns in the market.

Kiwanian of the Week: Ron Bevers, who is manager of the J. C. Penny Store in Cedar Rapids. Ron and his wife have a son at Indiana University, two daughters at Washington High School, and a daughter at Arthur School. Ron enjoys swimming, tennis, and hunting. He has worked for the Penny company in seven states and hopes to stay in Cedar Rapids. We are glad to have Ron in Kiwanis and hope he stays in Cedar Rapids for a long time, too!

Guests: Bill Meeker was the guest of Don Aanestad; Larry Emch, Gary Naab, and George Gable were the guests of Ed Sandler; Craig Anderson was Dick McConnell's guest; Bob Yan, P. J. Laugen, Hualing Engle, and Paul Engle were the guests of Dick Landis; and Rich Altorfer was the guest of Pytr Knoll.

Board Meeting Tuesday, April 3, in Room 201 at the Roosevelt. The Board recently approved for new membership George Gable, Larry Emch and Gary Naab. This brings our total membership to 98. The goal of 100 will be surpassed within the month. Downtown Kiwanis is definitely moving ahead. Note: All Committee Chairmen are invited to attend the Board meeting and report on the progress of their committees.

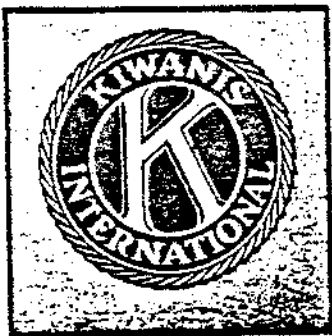

Kiwanian of the Week for April 4 will be Al Bickle.

Total for Pancake Day was not complete at press time. Pytr Knoll and Mike Long do want to express their appreciation to members and their families for the great cooperation. A complete report will be made soon.

Meeting for April 11 - Guest speaker at our next meeting will be Congressman Tom Tauke, who will be addressing the subject, "Congressional Matters Which Concern Iowans." Because of a revised schedule, Mr. Tauke was able to fit our meeting into his itinerary and we look forward to his address. Invite your friends and come and share in this informative program. The Youth For Christ film originally scheduled will be shown at a later date.

Meeting for April 4 - Mick Dennison and the Cedar Rapids Tickettes presented a delightful potpourri of the Community Theatre season via song and dance. Plays of the past included "The Sound of Music," "Fiddler on the Roof," and "One Flew Over the Cuckoo's Nest." Future plays are listed as: "Vainities," "My Fair Lady," "She Stoops to Conquer," "The Streets of New York," and "A View From the Bridge." Season tickets are available. Send \$16.50 per ticket to: CRCT, 1124 3rd St. S.E.

Final Farmer's Breakfast Report: Total receipts amounted to \$2,815.80. Expenses were \$1,291.77. Net profit was \$1,567.13. Special thanks were given to Pytr Knoll and Mike Long, Co-Chairmen, as well as Quaker Oats, Laurance Press, and the Holiday Inn.

Guests - Mike Wilson was the guest of Al McIvor. Bill Willoughby was the guest of John Ma. Rich Altorfer was Pytr Knoll's guest, and Jim Young was the guest of Dave Hansen. A very special guest of Claude Jones was Fran Brown who played the piano while we sang "She'll Be Coming Around the Mountain," "Give My Regards to Broadway," etc. What a difference! Thanks, Fran.

Another Milestone. Following the Wednesday meeting, the Board approved for membership Myron "Mike" Wilson. Mike brings our membership list up to 100! We have been aiming at this number for quite some time and it's great to see it happen. The Board has given as a revised goal for the rest of the Kiwanis year of 115. Our membership chairmen, Ed Sandler and Al McIvor have been hard at work and deserve much credit. (Someone suggested we have a special meal to celebrate reaching 100, but President Jim said he had enough repercussions from the bean feed to last a lifetime!)

Kiwanian of the Week was Al Bickle who was born in Waterloo and came to Cedar Rapids at an early age (he didn't really float down the river in a basket). Al has been in insurance for over 20 years and enjoys tennis, paddle ball, and raquetball. Good to have you in Kiwanis, Al.

Kiwanian of the Week for April 11 will be Bob Blinn.

John Little

Next Week's Program: On April 18 our guest will be Mr. Don McKay. Mr. McKay is a Coe graduate (1965), as well as a graduate of the Amos Tuck School of Business Administration of Dartmouth College (1967). He is presently in charge of International Banking for Merchant's National Bank, handling the financing of overseas exports for Cedar Rapids manufacturing firms. Cedar Rapids exports more per capita than any other city in the United States with 60 companies in the export business. Don's subject will be: "International Banking for Cedar Rapids Overseas Exporters."

Program for April 11: Our guest was Second District Congressman Tom Tauke. Mr. Tauke's introduction to Congress included the warning that this was "a poor time to serve" since he was witnessing "the decline of the United States." The five major issues facing the Congress include: inflation, energy, regulations, trade and defense. Congressman Tauke believes the U.S. can still be a world leader if we will discipline ourselves and follow the right path.

Birthdays - Dan Schwitters April 13  
John Little April 9

Anniversaries: Jim Bowker April 8, 1953  
John Emmons April 9, 1978

Guests: Larry Hibbs - guest of Wayne Meade  
Norm Eells - guest of Ed Seger  
Jim Miller - guest of Bob Armstrong  
W. J. Jameson - guest of his son, Bill  
Larry Miller, Jerry Chaffee, and Dale Nicoson were the guests of John Ma  
Good to have Harold Ward there.  
Gary Petersen also attended with Congressman Tauke.

Kiwanian of the Week was Bob Blinn, who courageously carried on in the midst of piano movers, entering Congressmen, and the mechanical hee-haw machine. Bob was a Texan for 2 years, but headed north as soon as he could walk. He came to Iowa via Oregon and Colorado in 1936 and has been working on the railroad ever since. He is presently employed by the Cedar Rapids-Iowa City Railroad. Great to have you in Kiwanis, Bob.  
Del Bleck and Vic Bock are up next week.

Orchids to the team of Brown and Jones. The music portion of our meetings are really great, thanks to Fran & Claude.

New members installed on Wednesday were John Ma, Bill Steadman, and Mike Green. Dave Hansen is on deck. Rich Altorfer was approved by the Board for membership.

Get any ideas for future programs? You can call the following program chairmen: May - Aaren Randolph; June - Al McIvor; July - Mike Long.

Here are some excerpts from "A Prayer for the Middle Aged." (They really apply to any age)

Lord, thou knowest better than I know myself that I am growing older and will someday be old. Keep my mind free from the recital of endless details; give me wings to get to the point. Seal my lips on my aches and pains. They are increasing, and love of rehearsing them is becoming sweeter as the years go by. I dare not ask grace enough to enjoy the tales of others' pains, but help me to endure them with patience. Keep me reasonably sweet; I do not want to be a saint - some of them are hard to live with - but a sour old person is one of the crowning works of the devil. Give me the ability to see good things in unexpected places and talents in unexpected people. Give me the grace to tell them so. Amen.

Yours for a happy Easter,  
John Little

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

April 19, 1979

FOR KIWANIAN NEWS

KIWANIANS OF THE WEEK

WALLY BROWN & JIM BAUKER

All Kiwanians are reported to be in good health and good condition.

Anniversaries: Duane Kurrelmeyer - April 17, 1974

Birthdays: Duane Kurrelmeyer - April 19th

Burt Hynden - April 18th (but Burt was out of town)

I wanted to report that the Sing was just great and many Kiwanians had commented on the real good singing.

For some reason or other, China seemed to be under attack during the meeting. We heard from Don McKay who is in international banking at Merchants National Bank. It was very interesting to learn how much a part International Banking performs in the Cedar Rapids area, and the help it does give to the merchants and the farmers in this area, for merchandising and getting money to not only sell, but to purchase overseas commodities. We sometimes neglect to realize the impact that our foreign trade has on our local area, and we are very pleased that we had an opportunity to listen to Don present his views.

Our speaker next week will be Bob Nance. Bob was born in Hughes County, Oklahoma, was raised on a farm near Ada, Oklahoma, and was a 4-H officer. Bob graduated from Oklahoma State University with a major in radio speaking and farm journalism.

He took his first job with KADA in Ada, Oklahoma, then went to KSPI in Stillwater and later joined Oklahoma State as Extension Radio Specialist and did daily farm broadcasting for over 30 stations in the Oklahoma network.

Bob moved to Indiana as Farm Service Director in 1951 with WIOU, and in October of 1952 he came to Cedar Rapids and joined W.M.T. as Farm Editor. In 1955 he became Farm Service Director of WMT and continued in this until 1973.

While at WMT he received several national awards for farm news broadcasting and in 1968 received the coveted "Oscar" in agriculture award from the DeKalb Agricultural Association. We could go on and on about Bob, and his awards and achievements. Please come and see him and hear him. You will receive an education and meet a fine man.

By the way you will see some shiny new Kiwanian pins around that may look a little strange. If you would like to know what they are, bring yourselves a new visitor, have him sign up to be a Kiwanian, and you may get yourself a nice new shiny Kiwanian pin for introducing a new member to the club.

GET ON THE BANDWAGON. WE NEED YOUR SUPPORT AND EFFORT!!!

Edwin J. Seger

FOR ALL BOARD MEMBERS THERE IS A KIWANIS GATHERING AT STORM LAKE THE 18TH THROUGH THE 20TH OF MAY.

FOR THOSE BOARD MEMBERS WHO WOULD LIKE TO GO CONTACT CHARLIE McINTYRE OR JIM OETKEN. FOR FURTHER INFORMATION PLEASE REPRESENT OUR CLUB IN THIS.

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

April 25, 1979

## Next Week, May 2 -

Next week's program will feature Candy Vance, with the YMCA Big Brothers Program. Chairman for the month of May will be Aaron Randolph.

Program for April 25 - Our program opened early as we viewed a preview of "Where Have All the Children Gone?", a Youth for Christ Special scheduled for Monday, April 30, at 6:30 on KCRG. You are encouraged to watch it. Then Bob Armstrong, our April program chairman, introduced Bob Nance, who took us on a trip to South America via a collection of excellent slides. Bob pointed out that although the United States has its problems with inflation, energy, etc., that we still have a great deal to be thankful for in comparison. The chief protein crop in some areas is a green banana meal. Other delicacies include fresh goat, lamb's quarters (known here as a weed) in soup or gruel, honey dew melon at \$1.50 a slice, and 2200 varieties of potatoes.

President Jim presented Bob Dye with a check for \$1,500 to purchase six canoes for Youth for Christ. Every Kiwanian who sold tickets or worked at the Farmer's Breakfast is directly responsible for this fine gift and Bob indicated that this investment in the youth of our community by our club is deeply appreciated. A note of appreciation also came this week to Downtown Kiwanis from Lillian Harris for the gift of \$150.00 donated to the Dollars for Scholars fund. For those of you who are not aware of it, our club is also responsible for regular financial assistance in the area of eye glasses and dental care for needy young people. It's good to be involved in a service club that cares.

Happy Birthday to Rex Schrader - April 26

Happy Anniversary to Robert Armstrong - April 23, 1923

Guests - Claude Jones' guest was Glenn Johnson of Dubuque, past Governor of the Nebraska-Iowa district.

Guy Ames was the guest of Ed Sandler. Dr. Dick Zeaske was the guest of Jim Oetken. George Justice was the guest of Bob Dye, and Aaron Randolph's attractive guest was Ann Costanzo.

Kiwanian of the Week was our 1st Vice President, Wally Brown, who is a native Cedar Rapidsian. Following high school, Wally tried to make it with a travelling dance band, but decided that life on the road wasn't for him. He returned to Cedar Rapids, answered a "blind ad" and got involved with Iowa-Illinois Gas & Electric. After tearing up all the streets he could, he joined the Telemetry Department for the Gas Co., where he is now. Wally has a wife, two married daughters, and four grandchildren.

Next week it's Roger Bottazzi and Jim Bowker. (It doesn't rhyme but it's as close as we could come.)

Kiwanis Board Meeting Tuesday, May 1, at noon.

Beep Ball May 19th - What is it? A ball game for the blind sponsored by the Telephone Company Pioneers of America. The game starts at 1:00 p.m. on May 19 at Pioneer Park in Vinton with Beef Bar-b-Q served from 3:30 to 4:00. Kiwanian Don Bales indicates that baseball hats (10-12, with the same color and emblem) are needed. If your company has these and could donate them, call Don at 399-5601.

WEEKLY

BULLETIN

Next Week's Program - May 9, Don Bales will host the Annual Citizenship Recognition Program, high-lighting the achievements of the local High School students.

May 16 Program - Aaron Randolph will serve as Chairman of the Industrial Arts Awards program.

Program for May 2 - Kiwanian Mike Simmons introduced Candy Vance, Director of the YMCA Big Brother program in Cedar Rapids. The purpose behind the Big Brother program is to provide adult male fellowship for boys from 6 to 14 who are without fathers. At present, there are 27 boys on the waiting list. If you sign up, you would be asked to see your "little brother" once a week for at least a year. Steps to follow in becoming a Big Brother would be to call Candy at 363-8231, attend an orientation meeting, make out an application, complete with 5 references, and be interviewed. If you are interested, Candy would appreciate a call.

Over 60 Kiwanians were in attendance Wednesday. In spite of some trouble with the left field bleachers, it was a great meeting. Fran Brown and Claude Jones did a great job with the singing and Bill Jameson collected a few bucks. Come early next week and get a good seat! (Kim, you make a great maitre d'.)

Happy Birthday to Jerry Banes, May 2.

Anniversaries - Ernie Kosek May 3, 1959  
Bob Blinn May 2, 1951

The Bowling Report goes under the heading "No News is Good News."  
(Season's over)

The Final, Last, Complete, Conclusive Pancake Day Total (probably) is \$1,678.53.

Inter-Club, Anyone? Del Block indicated that all but 4 of the Kiwanis Clubs in our district have been visited. (We get credit for an Inter-Club when 4 or more members of our club attend the meeting of another Kiwanis Club.) Two Inter-Clubs are planned: May 10th at Cedar Falls at 6:00 p.m., and May 15 at Independence at 6:45 a.m. Call Del if you can attend.

The Board recently approved Dr. Dick Zeaske and Guy Ames as members of Downtown Kiwanis.

Guests on May 2:

Guy Ames and John Greenlee were the guests of Ed Sandler; Kerwin Hulbert was the guest of Roger Bottazzi; and Bill Meeker was the guest of Don Aanestad.

This may sound familiar...but Kiwanians of the Week for May 9: Jim Bowker and Roger Bottazzi.

WEEKLY  
NEWS  
BULLETIN

May 9, 1979

Next Week's Program - Aaron Randolph will serve as chairman for the Annual Kiwanis Industrial Arts Awards program. This is always one of the most intriguing meetings of the year as students from all of the area high schools bring their Industrial Arts displays and share briefly what went into their projects. Why not come a few minutes early and spend some time examining the excellent work of our area young people?

Program for May 9 - Don Bales did an excellent job of hosting the Annual Citizenship Recognition program. Our guests included two students from the following high schools: Kennedy, Jefferson, La Salle, Prairie, Regis, and Washington. The students were accompanied by their school counselors and parents. It was a thrilling thing to realize that these were students who had successfully worked through some problem areas or handicaps and were now well on their way to becoming whole persons with definite goals in mind. It's this kind of program along with next week's program and other youth-oriented projects that makes one proud to be a member of the Downtown Kiwanis Club.

What do champagne, hot dogs, t-shirts, and curling irons have in common? They're all a part of Mike Green's Open House Saturday 9-3.

Do you have trouble understanding kids' music today? Wonder what the kids thought of "tootsie-wootsie" and "your baby mine"?

Guests on Wednesday also included Perry Hummel from the Vinton Club and Don Wegner from Metro. Jim Oetken's guest was Don Weir of KLWW; Bob Klima's guest was Jerry Langfitt of Vigortone; Wayne Mead's guest was Bob Hanna - alias "The Big Guy;" and Gary Speicher's guest was Dick Osterman. Snidely Clapperhorn also made a return visit.

Special awards (for recruiting new members) were given to Ed Seger, Pytr Knoll, and Bob Armstrong.

Happy Birthday to C. R. Fahrney, May 7.

By the time you receive this, the Cedar Falls Inter-Club will be past history. However, you can still make the Inter-Club to Independence on May 15 at 6:45 a.m. Call Inter-Club Chairman Del Block if you can make it.

Your Editor,

John Little

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

May 16, 1979

Program for May 23 - Our guest will be Rob Bowers, who attended the 1979 Explorers' President's Congress in Washington, D. C. It was our club's privilege to help sponsor Rob's trip.

Program for May 16 - Aaron Randolph did an excellent job hosting the 18th Annual Kiwanis Industrial Arts Awards program. After the Coordinator of the Cedar Rapids Industrial Arts program, Don Menning, spoke, students from 9 area schools showed us a variety of projects including two sets of house plans, a drill press vise, brass candlesticks, a huge cedar chest, and stereo cabinets. All of the work was done in a very professional manner, of which each young man and his instructor could be proud. We were, then, very surprised and pleased as we were presented with a beautiful Kiwanis clock made by Tim Lang from Harding. Thanks, Tim, we needed that! (Wonder if it has an alarm we can set?)

A mini-program preceeded the above with "Coolie" Jim O. complete with chopsticks trying to convert John Ma to Uncle Ben's. In spite of President Jim's efforts, John decided to cut all ties (at least temporarily). From the effort John put forth, guess it was a tie that binds.

Kiwanian of the Week - Ed Colton. Ed's father was a minister and so Ed in his early years did some moving around in the Midwest, but came to Cedar Rapids where he attended Coe for a year and then went to the U of I where he got his law degree. Ed met his wife at Swisher during a power outage. Ed began practicing law in 1955 and spent two years as Safety Commissioner. Two things important to Ed's philosophy of life include a concept of freedom based on discipline, and the importance of self-esteem to each individual. Great to have you in Kiwanis, Ed.

Kiwanian of the Week for May 23 - Bob De Meulenaere.

Guests included Daniel Outsler, guest of Bill Steadman; Bob Hanna, guest of Wayne Mead; Gary Samek, guest of Mike Simmons; and Les Sykora, guest of Charlie McIntyre. Welcome back to Hugh De Wees.

#### A WORD FROM PREZ JIM:

Becoming a regular attender at Kiwanis is pretty much like an exercise program. The first step is making the commitment to do it. (How many times have you heard someone say, "I've been meaning to get down there but I get busy and something comes up...") The next step is the habit forming part. You go one time, you enjoy the fellowship and the program, and you decide to go again the following week.

If you haven't attended for a while, we'd like to see you this Wednesday. At Kiwanis we've been growing in membership (over 100 now!) but we need you! Please join us Wednesday and get in the habit of Kiwanis each week.

Need some help this summer? Dave Van, a student at Coe, is looking for summer employment. Dave is blind in one eye and has 20/100 vision in the other. He types 45 words per minute. If you would like to know more, call Ed Sandler.

Two more Inter-Clubs under our belt as reported by Del Block. Del says we're going to take Waterloo by storm sometime soon. Plan to go.

The music program keeps getting better. Thanks to Claude Jones, Jane Chukus, and Fran Brown.

Looking ahead - on May 30 our guest will be a hand-writing analyst, John English. More next week.

Your Editor,  
John Little

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

May 23, 1979

Meeting for Next Week: Our Kiwanis speaker on Wednesday, May 30, is John English, a native Texan, who worked his way through Iowa State University by intermittently working as a laborer and mechanic at Century Engineering Co. here in Cedar Rapids. He graduated with high honors as a chemical engineer, went to work for Eastman Kodak, and ended as chief of chemical operations in Eastman's great plant at Longview Texas, where trainloads of the base for film is produced from natural gas.

John's hobby for years has been handwriting analysis to deduce people's basic character and inner traits. He is highly regarded in this field. John has agreed to analyze any samples of handwriting which you wish to submit, whether your own handwriting or the handwriting of some other person. John's approach is positive. No one will be embarrassed. You may protect your anonymity by using a fictitious name in signing your handwriting sample.

John will be glad to stay after the meeting to talk with members about what their handwriting reveals and confidentially concerning negative traits revealed. This should be a very unusual meeting. Bring friends and any potential members.

Meeting for May 23. It was our pleasure to have Rob Bowers of Alburnett share his experience as an Explorer Scout attending the National Explorer's Congress in Washington, D.C. (Rob sent a thank you letter to President Jim expressing his appreciation for the \$195.00 from our club that helped finance his trip.) Rob showed some interesting slides of the Congress where 2,000 Explorers and sponsors met for fun and business and elected a National Explorer's President. As Kiwanians we can be justly proud of Rob and our part in making it possible for him to attend.

June Board Meeting will be held in May this year (May 29th to be exact). President Jim is determined to do things differently!

Kiwanian of the Week was Bob DeMeulenaere who is a native of Iowa, got his B.A. at Lawrence in Dubuque, and has additional education in banking at a number of institutions. Bob holds the title of Certified Commercial Lender (CCL) and is a part of the Brenton Bank & Trust. He and his wife Margie have 2 sons and a daughter. Bob is happy with his life the way it is and plans to attend Kiwanis on a regular basis from here on out. Good to have you in Kiwanis, Bob.

Guests for the day included an old friend, Grant Williams (re-introduced by Dick Landis), Norman Eells, a guest of Ed Seger, and Bob Burke, guest of Aaron Randolph.

Bits and Pieces - Happy birthday to Wayne Mead, Happy Anniversary to Gary Speicher, and congratulations to Wayne Mead and Joe Russo for bringing in new members. Question: Would Charlie, Jim, Perry, and "Duke" qualify as an Inter-Club?

Special Congratulations to Past President Dick McConnell, who received the much-deserved Distinguished President's award at the 1978 District Convention.

Your Editor,  
John Little

BULLETIN

May 30, 1979

Program for June 6 - June Program Chairman, Al McIvor, will present our speaker, James E. Gross II. Mr. Gross is Executive Director of the National Multiple Sclerosis Society for Eastern Iowa.

Our speaker for the May 30 program was Mr. John English. Besides being a "gunk-maker" par excellence, John also is an excellent artist, investor, and hand writing analyst, the latter being the subject of the day. He showed a series of hand writing samples on the screen and indicated the strengths and weaknesses of the writer by the way the letters slant, how the "t"s were crossed, and the "i"s dotted. (I'm just glad this paper doesn't have to come out in long hand.) Mr. English's expertise is used in a variety of ways, such as crime-fighting, personnel hiring, etc.

Inter Club Victory in Sight: Del Block, Inter Club Chairman, recently announced that Downtown Kiwanis is well on its way to a Nebraska-Iowa trophy based on clubs visited and miles driven. If we can get 20 men to attend the Waterloo meeting on July 17, it will be in the bag. If you have a van and would like to take a group or if you can be one of the visitors, let Del know soon.

Slate of Officers for upcoming election:

2nd V.P. Don Aanestad  
Mike Stoffregan

Board Candidates:	Ed Sandler	Del Block
	Bob Omer	Mike Long
	Claude Jones	John Emmons

Birthdays: Jim Bowker May 30  
Tom Heabel May 30  
Mike Stoffregan May 31

Anniversary: Jim Luhrs May 27, 1966

Kiwanian of the Week was Bob Dye. Bob is the Youth for Christ Director in Cedar Rapids. Born in New York state, he lived on a farm there, while attending a one-room school where he was taught by his aunt. Feeling a call to some form of ministry, he attended Robert Wesleyan College, which eventually prepared him for his YFC role. Bob and Coral Dye have 4 daughters and reside on Hollywood Blvd. on Cedar Rapids' northeast side.

(Editor's note: My apologies to Prancer, Charlie. I always did have trouble with names.)

Honker or Helper? A lady had stalled her car at an intersection and the man in the car behind her began to honk his horn in an impatient manner. The lady, in a very calm fashion, rolled down her window and called out to him: "If you'll come up here and start my car, I'll come back there and toot your horn."

I sympathize with the lady not only in this particular situation, but in a general sort of way. The world, at times, seems filled with more honkers than helpers. We have plenty of people drawing attention to where the problems are but a serious lack of individuals who are willing to step in and do something about it. If you see something that needs to be done in our club or community, why not check and see what you can do about it? You'll be surprised at the difference it makes.

Your Editor,  
John Little

WEEKLY  
NEWS  
BULLETIN

June 6, 1979

Next Meeting - June 13 - The subject of the meeting is a very timely one: "Observations On The Long-Term Energy Crisis" as seen by Dr. Paul Smith, Physicist.

Meeting for June 6 - Our guest was Jim Gross, Executive Director of the Eastern Iowa Multiple Sclerosis Society. Jim pointed out that MS is a result of the breakdown of the myelin sheath, which encloses the nerve fibers and results in a feeling of numbness, double vision, and/or difficulty in maintaining balance. Time spans between the "hits" vary greatly and make it very difficult to treat the disease.

There are about 150 cases of MS in Linn County and close to 1/2 million in the U.S. Although millions of dollars are spent on research and treatment, the net loss, besides the human suffering involved, is nearly \$2 billion annually when you consider the loss of productivity and the cost of treatment.

Much work is being done to try and find an answer and those efforts deserve our prayerful and financial support.

Congratulations to the following new members inducted at the June 6 meeting:

Mike Wilson of Collins-Rockwell, sponsored by Al McIvor  
Mike Simmons of First Trust and Savings, sponsored by Rudy Silvers  
Guy Ames of National Oats, sponsored by Ed Sandler  
Rich Altorfer of Securities Corporation of Iowa, sponsored by Pytr Knoll  
Dr. Richard Zeaske, sponsored by Jim Oetken.

Also approved by the Board for membership in Downtown Kiwanis were Robert P. Larson and Gary Samek.

Guests: Jonie Technik was Rudy Silvers' guest, Les Sykora of the Metro Club was introduced by Charlie McIntyre, Rich Altorfer's guest was Ron Sunderman, John Little's guest was Floyd Whitesel, Jim Swain and Charlie Clark were the guests of Mike Stoffregan, and Gary Samek was the guest of Mike Simmons.

Happy Birthday to: Jim Luhrs, Bill Schneider, and Bill Jameson.

Happy Anniversary to Mike Long - June 7, 1978

Congratulations to the Winners: Don Aanestad - 2nd V.P. and new Board Members - Del Block, Claude Jones, and Ed Sandler.

Just A Reminder: July 17 Inter-Club at Waterloo. If you have a van and can use it for transportation, let Del Block know.

In recent weeks its been good to see some old familiar faces that we haven't seen for awhile. If you haven't attended a Kiwanis meeting for a few weeks (months), why not try it? We think you'd like it!

Your editor,

John Little

WEEKLY  
NEWS  
BULLETIN

June 13, 1979

Next Week's Program - Our guest will be Peter Bryant, Deputy Superintendent of Kirkwood College.

Program for June 27 - Charles Stroh will discuss the subject "Art As An Investment."

Program for June 13 - Speaker for the day was Paul Smith, physicist at Coe College and member of the National Democratic Committee, serving on the Sub-Committee on Energy.

Dr. Smith took a long range view of the energy crisis, pointing out that the problem wouldn't be seen in its correct perspective unless it was seen against the backdrop of 150-200 years.

The gist of Dr. Smith's remarks seemed to be that we cannot survive as a planet if the present growth rate of energy use continues. Although he didn't, by his own admission, present any answers, the implication seemed to be that we must change our life style and thus reverse the growth rate - energy use to a minus factor. Perhaps the Highway Safety slogan could be adopted for the whole world: "Slow Down And Live."

The first meeting in July (July 4) has been cancelled. This wasn't done to allow you to attend the All-Iowa Fair, but it sounds like a good way to spend the day.

Don't forget to keep July 17 open for the Waterloo Inter-Club. Call Del if you can go.

What Is Kiwanis? Kiwanis is a worldwide service organization for men desiring personal involvement in the leadership and improvement of their communities. As a group, they can achieve what individuals cannot do alone.

These men belong to Kiwanis clubs located in towns and cities throughout the world. They attend regularly scheduled meetings for fellowship and inspiration. They perform voluntary community service through committees...usually after hours.

Kiwanis is a service organization...not a social club.

Kiwanis is often a public forum...never a political circle.

Kiwanis is known to its fellow citizens through the work it does. It is not a secret society.

Kiwanis is an exponent of good citizenship. It does not prescribe a way of life for others.

Kiwanis directs its efforts to fulfilling the needs of the individual community.

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

*June 20*

The June 20th attendance was 49. Come next meeting and be the one who'll put us over the 50 mark. Charles Stroh will be the speaker June 27. His subject: "Art as Investment"

Get to Know Your Club Dept: Kiwanians of the week were John Emmons and Dave Hanson.

John, a native Texan, has finally ventured out into the bread-basket and snow belt of our great land. He was born into a rural family with nine children. His interest in people and agriculture continued through high school and college in Texas. John, his wife and family are the All-Iowa Fair managers. John's philosophy of life includes a love of people, agriculture, and his work. We're fortunate to have this Texan in Iowa!

Dave is a native Iowan having been born in Maquoketa and having lived in Scotch Grove, Monticello and Cedar Rapids. Dave has taught on the University level, has had his own advertising business and is now marketing director for Bohemian Savings & Loan. He and his wife have two sports minded boys. Dave's philosophy of life includes Kiwanis beliefs and belief in people, opportunity, and positive thinking. We're glad that Dave recently chose to become one of us.

The Kiwanian of the week for June 27th: Dr. Fenner.

Jim Manville had a birthday June 18th.

Our June 20th program began with Peter Bryant of Kirkwood telling us that we're "the best singing service club in a seven county area." He might have been trying to get our vote in the September 11th election, however, what he said about the Kiwanis singing is definitely true. Peter introduced Bud Jensen of the Kirkwood Board who told of the success and calibre of Kirkwood. Then Peter followed with an A-V presentation to prove it.

Not a Kiwanian should miss our next meeting. One "Wild and Crazy Guy" is going to entertain with some "off the wall" fun, frivolity and foolishness. You'll enjoy it. It's guaranteed. Don't miss June 27th.

SERVICE PROJECT PLANNED-- On July 7, 1979, the Downtown Kiwanis will participate in the "Y" Big Brother Program by taking boys on the Big Brother waiting list to the Cedar Rapids Giants Baseball game.

We need 25 club members to participate and take a boy to the ball game. The game admission is free!

Be prepared to sign up at the June 27th meeting of the Club, or call Bob Omer at work (398-7362) or home (362-1329).

See you at the ball game July 7th!

A copy of Dancing in the Water (an autobiography and a history) by Beulah Gundling is available free to any Kiwanian who wants it. Thanks to Henry Gundling for this. One of the photographs in the book was taken by a Kiwanian: Dr. Fenner, of his daughter, Norinne, with Beulah. Copies of this book are in 20 countries outside of the USA and include such places as Peking, China; Russia; Iran; Egypt; Japan; Australia; New Zealand; Mexico; West Indies as well as countries in Europe. This book is also in The International Swimming Hall of Fame (Ft. Lauderdale, Florida), The Aquatic Hall of Fame of Canada (Winnipeg), and the All Sports Hall of Fame of Canada (Toronto).

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

June 27, 1979

Meeting for July 4 has been cancelled. We trust you will spend the day with your family and friends celebrating our country's birthday (or your own). If you can spend an hour at the All Iowa Fair selling watermelon for Kiwanis, contact John Ma immediately. You are needed also to accompany a boy to a Giants Baseball game on July 7 as a part of the Big Brother program. Tickets are available. We are asking only for your time and concern. Call Bob Omer if you can help.

The July Board Meeting will be held at noon on Tuesday the 10th.

It was a special Happy July 4th Birthday for Bob Armstrong, complete with two cakes (white & rye), courtesy of Sykora's Bakery, plus a speech by Dick Landis (is Dick running for something?) Other celebrants included Al McIvor - June 29, and John Ma - June 29. Sorry, John and Al - you'll get yours when you're eighty.

Guests included Ed King (John Ma), Les Sykora (Jim Oetken), Allen Harrison (Aaron Randolph), and Bob Hertzog (Wayne Mead).

Kiwanians of the week for July 11 will be the Gable boys.

Kiwanian of the Week for June 27 was Doctor Clarence Fenner. Doc was born early on a Sunday morning near Independence with only he and his mother present at the time. Following the pattern of other great men, he spent his grade school years in a one-room schoolhouse and worked his way through high school earning not only his diploma, but also becoming a Licenced Buttermaker. He also worked his way through Iowa University Dental School. He asked his wife to marry him while he was working on her teeth. (Guess most of us would agree to about anything under those circumstances.) The Fenners have a daughter, Noreen, and three grandchildren. They are proud of them all, but especially so of one who became Miss Iowa National Teen Ager for 1979 and who will be competing for the National title on August 11 at Atlanta. Her name is Julie Noble, so watch for her!

Doc became a Kiwanian about 45 years ago and once he saw the light has had perfect attendance ever since (43 years). He likes to hunt, fish, target shoot, and travel. He loves his profession, his patients, and community and really enjoys Kiwanis.

P.S. Doc has the first dollar he ever made!

Program for June 27 - Our guest was Chuck Stroh, head of the Art Department at Coe College. His subject was "Investing in Art." One of the basic rules is to buy what you like: If you are careful you get double your money's worth - not only your money back plus a profit, but also the enjoyment of having the piece of art in your home. There are some unscrupulous people operating in the field of art at present, so a certain amount of caution is advised. Like any other field of investment, it has its risk, but if you're careful, you can do well.

Program for July 11 will feature a representative from the Australian Consulate.

Your Editor,  
John Little

WEEKLY  
NEWS  
BULLETIN

July 11, 1979

Meeting for July 11: V.P. Wally Brown presided in President Jim's absence. Our speaker was Don McFeat from the Australian Consulate in Chicago. He gave us an interesting comparison of the U.S. and Australia. Some similarities he noted were the history of Anglo-Saxon settlement, the migration of pioneers which led to cultural clashes, and the discovery of gold in the mid 1800's. Differences are that Australia is very arid -- only 10% of the land is suitable for rain-fed agriculture, the Aussies have never had to fight a war on their home territory, and that they drink more beer per capita than any other country in the world. Don also feels that Australia is a land of even greater opportunity than the U.S. -- a former convict (turned architect) is now pictured on the \$10 note!

Guests were Dick Phillips (Ed Colton), David Beck (Al McIvor), Jim Swain (Mike Stoffregen), and Tom Herzog (Ed Seger). Jim and Tom are both proposed new members.

Anniversaries - Bill Windus, July 1st 1974

Birthdays - Ron Moore, July 2nd

All members were reported to be in good health, although there were some questions about the sanity of a 'hot dog' loving Kiwanian.

Speaking of dogs, Al McIvor has one he's trying to find a good home for. Al has accepted a position with the U. of Hawaii and will be leaving us in about 2½ weeks. Because of this, Al needs to find a good home for his obedience-trained standard poodle. Give him a call if you or a friend can help him out. Best wishes on your new job, Al! You've been a good friend and a faithful Kiwanian that we'll all miss.

Don't forget the big inter-club to Waterloo on next Tuesday, July 17th. Del Block is shooting for at least 20 members to make this trip. Call him if you can join in the fun.

Kiwanian of The Week for July 11th was Bob Gable. Bob is a native Cedar Rapidsian, born on October 13th (he insists it wasn't a Friday) in 1915. Growing up with 2 brothers, his first regular job was at Gable Lumber Co. which was owned by his father and grandfather. Bob still recalls the flood of '29, after which he helped pump out the lumber company's basement. Following graduation from old Washington High School in 1933 he continued his education at Coe College. As an undergraduate he played football, and missed only 5 minutes of game time during his Senior year (not to mention playing both offense and defense). After Coe, Bob went on to the U. of Iowa law school, but at the end of 1 year he dropped out because he had to go to work. He's been in the truck service business since 1940, and spent 20 of those as president of Stones' Truck Service. He is presently employed at the C.R. Truck Center, and will have been married to his wife Elsie 40 years this fall.

John Ma extends a big Thank You to the Kiwanians who helped sell watermelon on July 4th. He also extends an invitation to all to purchase any of the 8 mellons he has left -- says he has no recipies for rice and watermelon!

Candy Vance, with the Y Big Brother program, also sends her thanks for the consideration that was shown by members of our club who took boys to the C.R. Giants game last Saturday! She says the boys all had a great time, even if some of them didn't see much of the game.

Program for July 18th will be Lt. Lawrence Spielbaur from the Cedar Rapids Fire Department, speaking on home fire safety.

Your Guest Editor,  
Aaron Randolph

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

July 18, 1979

Meeting for July 25 July program chairman Mike Long says the meeting should be "a real blast." Two members of the Cedar Rapids bomb squad will be our guests.

Meeting for July 18 featured Lt. Laurence Spielbauer from the Cedar Rapids Fire Department discussing the subject of home fire safety. His major emphasis was on smoke detectors and other early warning devices. He feels that smoke detectors are generally better than gas or thermal detectors and recommends a battery operated one in case of a power outage. Also, make sure the unit is UL approved before purchasing.

2535 miles! That's the number of man-miles recorded for the Inter-Club to Waterloo. (Wonder if they counted the side trip to Huxley?) Bob Armstrong presented the program (with a second feature by John Ma and Jim Oetken?) Del Block has done a great job with Inter-Clubs. He, along with Bob, John, and Jim, were accompanied by Dick McConnell, Kim Steveley, Jim Downing, Bob Blinn, Charlie McIntyre, John Emmons, Rudy Silvers, Vic Bock, and Howard Vanderschaaf.

Anniversaries - Bob DeMeulenaere July 16, 1972  
Rex Schrader July 19, 1972

Kiwanian of the Week was Dr. Jim Downing who completed Dr. Fenner's half hour. Jim did the old brown-and-white shoe routine, and told of his trip to Huxley by way of a couple years at dental school. I'm sure this doesn't do Jim justice but it's great to have him on the Kiwanis team.

Guests: Gus Cechin was John Ma's guest and Dave Beck's host was Dick McConnell.

Congratulations to Dr. and Mrs. Richard Zeaske on the birth of a daughter, Tuesday, July 18. (Guess this lays to rest the old saying that carpenters never fix their own front porch, etc., etc.)

Recent Desk Signs: (per President O.)

- \*A friend is a present you give yourself.
- \*Please be patient. God isn't finished with me yet. (Glad he said that.)
- \*Is there lunch after death?

See you in a couple weeks

Your roving editor,  
John Little

P.S. A copy of the attendance record is attached. If you want to improve your record we still have the August and September Board meetings which count as make-ups, plus visits to other Kiwanis clubs in our city or district.

WEEKLY

BULLETIN

July 26, 1979

Program for August 1 - At the time the bulletin went to press the August program chairman could not be reached for information on the program. Be assured there will be a program at the same time, at the same place.

The July 25 Meeting - Bob Omer subbing for songleader, Claude Jones, did a great job. The program featured two members of the Metro Bomb Squad, Sgt. Norm Poppenhagen and Sgt. Mike Emerson. These men stressed the importance of each business having a plan of action in case a bomb threat is received. The person receiving the bomb threat call should try to get as much of the following information as possible:

1. When is bomb going to explode?
2. Where is it right now?
3. What does it look like?
4. What kind of bomb is it?
5. What will cause it to explode?
6. Did you place the bomb?
7. Why?
8. What is your address?
9. What is your name?

They pointed out that the search procedures are carried out by the company personnel. Any handling of any suspicious bomb should be done by the Metro Bomb Squad. This program was appreciated for its importance to all of us.

#### Guests:

Frank Faric: from Cleveland, Ohio has had 26 years of perfect attendance.  
Was guest of C. R. Fahrney.

Chuck Cooper: a grandson and guest of Bob Armstrong.

Kathy Kerr: doing her internship with Linn County Sheriff Department.

#### No Birthdays or Anniversaries.

#### Kiwanian of the Week:

George Gable was born October 20, 1919. He was schooled in Cedar Rapids. Attended the University of Iowa for a short time and played football his freshman year. He then took what he called "a four year government paid vacation" as one of Uncle Sam's finest during World War II serving in the European Theater.

Worked for four years at United Brick and Tile Co. in Des Moines. He longed to be back in Cedar Rapids so he went to work at W.R. Grace Company as an Industrial Relations Manager. He has also served for 14 years on the Civil Service Commission.

Next Week's Kiwanian: Verne Haaland

WEEKLY  
NEWS  
BULLETIN

August 1, 1979

Program for August 8 - Don't miss this GREAT meeting...the subject is something that you have been asking for all year. We are pleased to be able to provide it at our next meeting.

Meeting for August 1: After the preliminaries, Claude and Fran led us in singing such old favorites as "Daisy" and "Sweet Adeline" and the Kiwanis "fight" song, appropriately followed by the "Battle Hymn of the Republic." We may not be registered with the SPEBQSA, nor are we quite ready for Salt Lake City, but we obviously enjoy ourselves, and that's what it's all about.

The program featured Howard Smith's rendition of Three-Days-In-A-Courtroom wherein Howard reported the details of a murder-suicide, the freeing of a slave, and the sad story of the three Cherry Sisters, who were badly maligned by a Des Moines paper and cried all the way to the bank.

Congratulations to Captain Ed Seger (recently promoted), to Dick Landis, new owner of the World Travel Agency, and to Vern Haaland, Kiwanian of the Week. Vern is a native Iowan, spent 4 years in the Navy, has been married 33 years, and has 2 daughters and 1 granddaughter. Vern is head of Haaland Consulting Engineers, Inc., on Mt. Vernon Rd.

Guests: Claude Jones had David Wright as his guest. Mike Long's "guest" was Pytr Knoll.

Anniversary - Mike Kennedy - July 29, 1942. Mike's Kiwanis affiliation goes back to 1933 with the Davenport Club. (Was Mike really out to lunch?)

Board Meeting for August will be held on this Tuesday, the 7th, at the Holiday Inn. The room number will be announced next Wednesday.

Congratulations to Ed Sandler and everyone who has recruited new members. Our annual goal of 24 has been exceeded by 4 and our total membership has reached the 100 mark!

Your Editor,  
John Little

WEEKLY  
NEWS  
BULLETIN

August 8, 1979

Our program on August 8 featured Sam Wallace of St Luke's Hospital. Sam's subject was Health Maintenance Organizations (HMO), best described as a health care supermarket. Doctors, dentists, hospitals, nursing homes etc all come under one roof. Good points of the program include: fixed fees for benefits, better use of resources, and 20% less costly than traditional methods. The bad news is: a long wait for an appointment (even longer than your present wait!), no choice of doctors, and no choice of hospitals. Under the HMO system, doctors are on an eight hour shift. (Sure would hate to be on the operating table during a shift change!)

New song books are on the way! (at least if they are all the same color, it will avoid some confusion). The books are coming, courtesy of Mr Wayne Tooman, Kiwanis International Field Representative of our district. Wayne was at our August Board meeting and gave suggestions concerning the formation of a Golden K Club. A committee to get things rolling has been formed with Guy Ames and Bill Steadman agreeing to serve. Other members will be named soon.

One More To Go! Inter-clubs that is. If you haven't made at least one, try your best to be at this one. It will be at the Evansdale Club on Tuesday night, August 21st at Margie's Waffle House at 6 PM. Del Block, our Inter-club chairman indicates that this will complete the round of all clubs in our district. Nice going Del.

Kiwanian of the week for August 15 will be our newest new member, Dave Wright along with Joe Greenlief.

This 'n' That: Claude Jones is on vacation, but our president carried on with Fran at the piano and he at the mike. . . Congratulations to Mr and Mrs Aaron Randolph and their new baby. . . a belated Happy April Birthday to Mike Long. . . welcome to Dave Wright. . . congratulations to Del Block and Claude Jones who joined the Board a little early by request of the members.

See you all next week, August 15 at the Roosevelt at noon.

Your editor,

John Little

Program for August 22 will be Mr R.H. Allen, who recently returned from a trip to China. Much of the trip was recorded on a 16 mm film which will be shown at the meeting.

Ed. Note: My secretary is on vacation so the mistakes are my own.

Program for August 22: Mr. R. H. Allen, who has traveled widely in Europe and Asia, recently had an extended visit to China. While there he filmed much of his trip on 16 mm film and will be showing those pictures to us on Wednesday.

Our August 15 program featured Robert Armstrong addressing the subject: "Skyrocketing Hospital Costs and What We Can Do." Mr. Armstrong began by pointing out that all of us are paying these rising costs, if not directly, then through health insurance, taxes, etc. Health care, he indicated, is one of the worst forms of inflation, doubling every 6 years. The causes behind increasing costs are multiple and include the fact that hospitals are really a monopoly, that they must always have the very best, and that most hospitals are run by doctors, who, by nature are not cost-conscious, but cure-conscious.

What can be done? Stay as healthy as possible through proper diet, exercise, and abstinence; 2. Support Health Maintenance Organizations; and 3. Establish a State Commission to regulate health costs.

Guests Bob Rush had as his guest his son, State Senator Bob Rush, and Tom Hunting. Dick Hook was the guest of Jim Oetken.

Our best wishes to Joe Stenner, who is in St. Luke's for an eye operation.

Kiwanians of the Week: Joe Greenlief got his start in Fort Dodge, where his early training included working as a desk clerk, maid & bellhop in his father's hotel. Joe attended Cornell College and Northwestern Law School and Drake University. He is presently an attorney with Iowa Electric.

Dave Wright was the second Kiwanian of the Week. Dave is also an attorney, coming from Dubuque to Cedar Rapids in 1978. He graduated from Harvard and Iowa Law School and is presently with Moyer and Bergman. Dave is a sports enthusiast and teaches a law course at Mt. Mercy. Dave and Joe, it's good to have you in Kiwanis!

Attendance Statistics for your information: The following have perfect attendance through August 15: Bob Blinn, Del Block, Wally Brown, Jim Downing, C. R. Fahrney, Clarence Fenner, Al Gee, Bill Jameson, Duane Kurrelmeyer, John Little, John Ma (100%), Dick McConnell, Charlie McIntyre, Jim Oetken, Ed Seger, Kim Steveley, and Howard Vander Schaaf.

Aaron Randolph needs 5 make-ups; those who need 4 make-ups: Ed Colton, Joe Greenlief, Ed Sandler. Needs 3 make-ups: Guy Ames. Need 2 make-ups: Bill Steadman & Tom Heabel. If you have questions, call Howard V.

WEEKLY  
NEWS  
BULLETIN

August 22, 1979

Our meeting on August 22nd featured Ray Allen's visit to China via an excellent film (was that Lawrence Welk's accompaniment?). Some of the interesting facts that highlighted the film were:

- The Chinese people are dedicated to honesty (no locks on hotel doors) and to a better China;
- China is the oldest surviving civilization on our planet;
- Pay in China is \$21 a month for the first 10 years and \$39 from then on;
- Tipping is an insult;
- The "slow boat to China" has been replaced by the Queen Elizabeth II, "the most beautiful ship in the world."
- China would be a great place to open a bicycle shop.

Guests for the day included Walter Heabel, Al Allen, and Ray Allen, guests of Tom Heabel; Frank Holt, an uncle of Dick Landis; and Bill Shaner, a visiting Kiwanian from Fort Collins, Colorado.

Happy Anniversary to Orie Lawrence, who joined Kiwanis when I was 1 year old - August 19, 1931. Congratulations, Orie, for 48 faithful Kiwanis years.

Happy Birthday to Sandy Batchelor on August 24 and Al Bickel on August 25.

"Thanks" from Joe Stenner for the cards and visits of fellow Kiwanians.

Brothers & Sisters (no, this isn't a sermon), Candy Vance is looking for you. On September 22-23 (noon to noon) the "Y" Big Brothers is sponsoring an outing and is looking for men who like to play tennis, paddle canoes, go trout fishing, and hiking, and would be willing to share those experiences with a "little brother." Also, the Big Sister program is being launched soon in Cedar Rapids and Candy is looking for ladies who would be willing to serve in that capacity. If you're interested, call Candy at 363-8231. (Sorry, Wally, you don't qualify for assistance)

A collection was taken on Wednesday to help the Kiwanis Clubs in Algona and Manson aid families affected by recent tornadoes and floods in their areas. \$63 was received.

Charlie McIntyre, Jim Oetken, Rudy Silvers, and Del Block visited the Evansdale Club on Tuesday evening and thereby completed a visit to every club in our district! (Since they put us over the top, would they qualify as the Kiwanis-over-the-hill-gang?)

Next week's program will feature Alex Meyer, new president of Amana Refrigeration, who will tell us about his company and the Amana VIP Golf Tournament!

Your Editor,  
John Little

P.S. Be sure and attend next week's meeting in case of further developments regarding communications between President Jim and "P.J."

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays. 12 Noon

WEEKLY  
NEWS  
BULLETIN

August 29, 1979

Program for Wednesday, August 29, was brought to us by Fred Streicher of Amana Refrigeration, who was with us in place of Alex Meyer. The program centered around a film of the Amana VIP Golf Tournament, held each June, which attracts top-name golfers from around the world. Proceeds from the Tournament are used to establish scholarships at the University of Iowa. Following the film, a drawing for prizes donated by Amana Refrigeration was held. Winners included Dick McConnell, Bob Armstrong, Wally Brown, Ed Colton, Charlie McIntyre, and Wayne Mead.

Approved for membership: Dave Wright and Dick Hook.

Board Meeting for September will be held on Tuesday the 4th at the Roosevelt.

The Bowling Team is back with a roar. They are currently tied for 1st place with 4 out of 4 points. (and the season really has started!)

It has definitely been established that, contrary to other opinions, Aaron Randolph was born on August 27th. Happy (slightly belated) Birthday, Aaron.

Guests: Dick Hook of Cable TV was the guest of Jim Oetken; Don Castes, United Way Director, was Jim's guest also. Ed Beatty, candidate for School Board, was introduced by Wayne Mead; Ken Bobbitt's host was Bill Pohorsky; and Bill Kendall of American Federal was the guest of Dick McConnell.

Happy Anniversary to V.P. Wally Brown. Wally joined Kiwanis on August 31, 1970.

A note of thanks was read by President Jim from Al Curtis of St. Luke's, expressing appreciation to Kiwanis for its work in the area of Dental Health for the children of our community.

Question of the Week: Since CR is closer to DBQ than DM, will PJ really come? I leave it with you: Has our President ever misled us before...?

If you're free Friday evening (August 31), why not plan to join an informal group of Kiwanians at the Old Ironsides Restaurant about 7. Entertainment is being provided by Claude Jones and friends.

Next week's program: Its a little up in the air---somewhere between a travel agency and an architectural firm. Whatever it is, you will surely enjoy. Come prepared for everything!

Your Editor,

John Little

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

September 5, 1979

Meeting for September 5 - Our guest, introduced by Dick Landis, was Roger Schlegel, head football coach at Coe College. Roger shared his appreciation for Cedar Rapids, Coe College, and the young people he works with. He sees his big job at Coe as being in the area of recruitment. His philosophy of coaching puts the welfare of the young person first. He will emphasize the three A's - Academics, Attitude, and Athletics. Roger is a very fired-up coach and we wish him the best for the '79 season.

Notice to New Members: If you have joined the Club since October 1, 1978, you are invited to an Orientation meeting on Tuesday evening, September 11, at the McConnell, Steveley, Anderson building at 860 17th St. SE at 7:30 p.m. If you can attend, please contact Jim Oetken at 363-2695 or 393-7852.

Guests: Pat Anderson was the guest of Ed Sandler.

Birthdays: Henry Gundling...September 5

Del Block announced that there will be a re-run of the Inter-Club to Central City on Tuesday, September 18. Call Del if you can go. Also, an Inter-Club is planned for the Metro Club on September 13.

Thanks to Dave Wright for some great song leading on Wednesday.

Our thoughts and prayers are with Bob Rush, who is in the hospital. We're pulling for you, Bob. We know they can't keep a good man down!

Next week's program will feature the manager of Cedar Rapids' newest shopping center, the Westdale Mall, Mr. Dick Waggoner.

SOUL FOOD (Thanks to Al Gee)

## ANOREXIA NERVOSA

"I was pushing buttons on my car radio the other evening, when I came across a discussion of anorexia nervosa, a disease that causes some people to die from malnutrition. The sufferer does not die from the inability to obtain food, but from the inability to desire it. It is possible to die of starvation even though one has a full pantry.

"Spiritual anorexia nervosa has reached epidemic proportions among our contemporaries. Thousands of people have settled comfortably into a life style which makes it possible for them to enjoy the fruits of the temporal world. If a person has a full stomach, a warm house, a few dollars in the bank and some gadgets to tinker with in his spare time, he has little need to think, to study, to meditate, or to pray. If you ask him about it, he will respond, "I'm doing very well, thank you. I just want to be left alone."

"Therein lies the seriousness of the problem. He's not doing well. He is living superficially. Life for such a person has no deeper meaning than food and shelter. Surely, we were created for more. Do you live on that superficial plane? Could it be that you suffer from spiritual anorexia nervosa? Perhaps it's time to take a careful look at your appetite."

September 12, 1979

Meeting for September 19 Just two meetings left in the Kiwanis year. September Program Chairman Dick Landis promises we'll go out with a bang. See you next week.

Program for September 12 Kiwanian Ron Bevers introduced Richard Waggoner, manager of the new Westdale Mall. Mr. Waggoner came to Westdale via Wisconsin, California, the U.S. Marines, and Australia.

The initial opening of the Mall will be October 4, with 80 stores opening. A partial listing includes 15 shoe stores, 15 ladies' and 11 men's ready-to-wear, 17 food stores including 4 restaurants, and 9 jewelry stores. To begin with the Mall will employ 1100 people, that figure later rising to 1500. The Mall expects to do 40 to 50 million dollars worth of business in 1980.

The Installation Dinner for newly elected officers will be held October 3 at the Holiday Inn at 6:00 p.m. New members will also be inducted at that time. President Jim tells us that the meeting will have a special "polish."

Bob Rush will be coming home from St. Luke's on Monday, but would welcome a visit in the meantime. Bob's room is 550.

Guests included: Jay Grandy, whose host was Rudy Silvers. Jay is with FMC in the marketing division. Orie Lawrence's guest was fellow-lawyer Mike Mollman.

Del Block is looking for Kiwanians to make up an Inter-Club to Central City for Tuesday, September 18. Give Del a call if you can make it. (Maybe we should tell that to C.C.)

Welcome back to Bernie Taymans.

Kiwanian of the Week was Dave Beck, Director of Housing at Coe College. Dave's history includes a lot of time spent in the Kiwanis Key Club organization. He was a Lieutenant Governor in the Key Club and was given a Kiwanis Scholarship to attend college. Good to have you in Kiwanis, Dave.

The Bowling Team slipped slightly this week and managed 2 out of 8 points, thanks to John Emmons' high of 151.

Just a reminder that September 22-23 is the Big Brother program at Wapsie-Y. If you can go, call Candy Vance at the Y.

SOUL FOOD (thanks to Al Gee)

MAN, I CAN'T EVEN LAUGH

Several years ago, I visited a friend in the hospital who was recovering from painful abdominal surgery. The fellow is the kind of man who enjoys living. He's one of those persons who has the unique ability to make some very serious points in a very funny way. But the day I saw him in the hospital, he was experiencing some very serious post-operative pain. He was not only being bothered by the pain, but he was upset over the necessity of keeping a straight face. I remember hearing him remark, "Man, I can't even laugh."

Some folks seem to think that laughter is incompatible with a serious outlook. The ability to laugh was placed within us by our Maker. The author of Proverbs certainly had a point when he wrote, "A merry heart doeth good like a medicine." (Proverbs 17:22) Loosen up and laugh. It will probably do you good.

WEEKLY  
NEWS  
BULLETIN

September 19, 1979

Next week's meeting will be held at the Roosevelt--that's no surprise. The program will be Mr. Don Custis, new Executive Director of the United Way, who will be presenting a new nine-minute film concerning this year's campaign.

This week's meeting: Guests--Les Sykora, guest of Bob Klima; Ed Capesius, guest of Claude Jones; Dana Dobson, guest of Norm Zells; Max Schrader, guest of brother Rex.

Lt. Gov. Charlie McIntyre introduced Jon LeRue, the Lt. Gov. Elect, who shared his goals for the coming year.

Martha Ferring presented the program. She is Director of the Cedar Rapids Women's Clinic started in 1976. This clinic provides three basic services--that of providing birth control needs, cancer screening, and V. D. information and tests. The clinic provides abortions up to 10 weeks, after counseling with the client and discussing the alternatives. The clinic is supported by private funds and through the services provided.

Bowling report: Our team won all 8 points and are presently tied for first place. Keep up the good work, team!

Inter-Club report: Del Block reported on the last inter-club Tuesday night at Central City. Del is to be commended for having a very successful year of inter-clubbing. This completed inter-clubs with every club in the District. Efforts are now being made to organize an inter-club for the installation of the new Lt. Gov.

October 4--please note the change of date for our club's Ladies' Night event. This will be held at the Holiday Inn at 6:30 p.m. Cost of the meal will be \$5.95 per person plus tax and gratuity. A great time of fun and socializing is planned that will include a program of installing our new officers, inducting new members, and honoring our out-going Lt. Gov. Make your plans now, and be sure to tell your 'Kween!

Our sincere sympathy to John Little, our faithful editor, at the passing of his mother this week in Wisconsin.

Health and Welfare reports as well as anniversaries and birthdays are missing because Bob Rush has been missing from our presence, but he hopes to soon return. (We need you, Bob!)

Bob Dye

WEEKLY  
NEWS  
BULLETIN

September 26, 1979

Next Meeting - Thursday, October 4. This will be an evening meeting, our Annual Installation of Officers. Our guest will be Lt. Governor Jim LaRue from Cedar Falls and the meeting will be held at the Cedar Rapids Holiday Inn at 6:30. (Ladies: you may want to search your husbands' coat pockets for a letter to you from Pres. Jim concerning the above.)

Meeting for October 10 will feature Ted Johnson, President of Ja-Tec and potential candidate for U. S. Senate.

Meeting for October 17 with Dean Wengil, Chairman of the Building Committee for the Metro YMCA.

October Board Meeting Tuesday, October 2.

Claude Jones' guest on Wednesday was Ed Capesius. Kim Steveley's anniversary was September 27, 1972. Happy Birthday to Ed Colton (26th), Al Gravelle (27th), and Joe Stenner (29th). Good to hear that Bob Rush is home from the hospital.

Bowling Report - the team won all 4 points. Ed Colton was really on (for whatever reason) and had a 638 series! Congratulations, Ed.

You are invited to an Advance Screening of the new movie by Inspirational Films entitled, "Jesus" to be shown October 10 at 9:00 a.m. at the Iowa Theater. Call Ed Seger if you need tickets.

For those members who are unable to attend the Installation Meeting on October 4, a Round-Table will be held at noon on October 3 at the Roosevelt. This is simply an informal gathering of whoever shows up (you may or may not eat at the Roosevelt). Just make sure your names are given to Howard Vander Schaaf, our Secretary, so he can give you credit for attendance.

Meeting for September 26 - Our guests were Don Custis and Velma Stramel of the United Way of Linn County. They showed an excellent United Way film and answered questions from the floor. In closing, Don pointed out that a successful United Way Campaign benefited everyone, including ourselves. Problems faced by the U.W. include inflation, low participation rate, and a misunderstanding concerning what U.W. really does. Certainly the United Way is an important part of our community and worthy of our best.

SOUL FOOD (via Al Gee) WHAT DO YOU THINK ABOUT?

Sometime ago a friend startled me when he asked, "What do you think about when you have moments to yourself?" I'll have to admit that my friend's question irritated me just a bit at first. In the first place I didn't think my private thoughts were any of his business. But my real irritation stemmed from the fact that I was not pleased with the answers that I would have to give if I responded honestly. Even so, he forced me to sort out the various subjects my mind dwells on. That proved to be a profitable experience. What are the main thoughts that occupy your mind during your private moments? Oh, I'm not asking you to tell what goes on in the private arena of your mind. I just want you to reflect on it for yourself. Do you contemplate things positive? things noble? things honorable? Or is your mind a cesspool of negative thoughts and ideas? The apostle Paul wrote, "Finally brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things." (Philippians 4:8)

Meeting for October 10 -

President Wally Brown will begin his year in office. Our guest will be Ted Johnson, President of JaTec. Ted is also a potential candidate for the U. S. Senate.

Installation Meeting October 3 - The Holiday Inn provided a gracious setting for our annual Installation Meeting. Mike Long's staff provided a very delicious meal and the team of Fran Brown and Claude Jones did a beautiful job in the music department. The Kiwanis Kweens added a special touch to the evening, of course. Words of appreciation by President Jim for jobs well done plus a "Roman Epistle" followed. Installations by Lt. Governor Jim LaRue included: Wally Brown, President; Kim Steveley, 1st V.P.; Don Aanestad, 2nd V.P.; and new Board members Del Block, Claude Jones and Ed Sandler. Special recognition was given to Dick McConnell, Charlie McIntyre, Howard VanderSchaaf, and Duane Kurrelmeyer. George Gable, Ed Capesius, and Jim Swain were inducted into the club. President Oetken was given a standing ovation for a job well done. Incoming President Wally Brown encouraged all members to continue on in the spirit of progress and cooperation.

Interclubbing of Cedar Rapids Downtown was completed Thursday evening, September 27, when four members, Jim Oetken, Wally Brown, Charlie McIntyre and Ed Colton, attended the Cedar Falls Kiwanis meeting to install Lt. Governor Jim LaRue. This resulted in a total of 7,685 interclub miles for our club this year and, hopefully, the Division 8 Interclub trophy. A majority of members did not make an interclub this year but the 30 Kiwanians who did are listed below with the number of interclubs they attended.

Charlie McIntyre	11	Jeff Albertsen	1
Del Block	9	Robert Armstrong	1
Jim Oetken	8	Robert Dye	1
Ed Colton	5	Jim Downing	1
Edward Silvers	5	Joe Greenlief	1
Howard VanderSchaaf	4	Claude Jones	1
F. Wallace Brown	3	John Ma	1

Victor Bock	2	Gary Speicher	1
Aaron Randolph	2	Kim Steveley	1
Albert Gee	2	Bernard Taymans	1
John Emmons	2	Bruce Thoreson	1

Incidentally, last year's interclub winner, Cedar Falls, traveled 3,729 miles.

Meeting for October 17 will feature Don Wenzel, chairman of the Building Committee for the Metro YMCA.

WEEKLY

BULLETIN

October 10, 1979

Meeting for October 17 Our guest will be Don Wenzel, Chairman of the Building Committee for the Metro YMCA. A great deal is being done in the area of new construction and planning for the Y program and Don will share that with us.

Meeting for October 10 The meeting featured Ted Johnson, President of JaTec and a non-candidate who is ready if he is needed. Ted's remarks were titled "Insights to Campaign '80." Ted had a number of interesting ideas including the following:

- A strong economy and strong leadership will be key issues in 1980.
- Carter has strength inside his political circle that will emerge in the months ahead.
- Kennedy is out of step with political reality. The Kennedy "aura" will probably not be enough to pull him through.
- Front running positions on the Republican side are still up for grabs. The October 13 "Republican Parade" in Ames could indicate who's out front.

Happy Birthday to Bob Gable - October 13

Anniversaries - Aaron Randolph October 7, 1976  
Vern Haaland October 10, 1970

Welfare Report - All Kiwanians are in good shape, loosely speaking. Good to have Bob Rush back in our midst.

Guests - Mike Bird was the guest of Rich Altorfer. Louis Stepanek was the guest of Ed Colton. Bill Donahoo was the guest of Rudy Silvers.

Bowling Report - This year's bowlers are taking the game seriously. Last week they took 3 out of 4 points and are still tied for 1st place.

## PERFECT ATTENDANCE REPORT

The following men have had perfect attendance at Kiwanis this year. The accumulated years of perfect attendance are listed behind their names. Way out in front of everyone is Dr. Clarence Fenner with 44 years of perfect attendance. Congratulations, Doc!

Others include: C. R. Fahrney - 22, Robert Blinn - 11, James Downing - 10, William Jameson - 10, Charles McIntyre - 8, Albert Gee - 7, Thomas Heabel - 6, Howard VanderSchaaf - 5, Richard McConnell - 4, Duane Kurrelmeyer - 4, Wally Brown - 3, Jim Oetken - 3, Kim Steveley - 3, John Little - 2, and Ed Seger - 2. Special recognition for longevity in club membership goes to the following: Robert Armstrong - 56 years, Joseph Stenner - 50 years, Ora Lawrence - 48 years, Clarence Fenner - 46 years, and Hugh DeWees - 45 years.

WEEKLY  
NEWS  
BULLETIN

October 17, 1979

Program for next week, October 24: We will have an opportunity to view excerpts from the film, "Jesus." The full length version of the film will be showing at the Iowa Theater beginning soon.

Guest speaker for October 31 will be Bernard "Bing" Grahek, administrator at Mercy Hospital.

Program for October 17 featured Dean Wenzel, who is chairman of the Building Committee of the Metro YMCA. The Y is concluding its capital funds campaign and the goal of \$3,000,000 seems to be a reachable goal. The "Y" has been in Cedar Rapids since 1868 and presently has 3 units in town plus Camp Wapsie Y. Projects include renovating of the pool at Wapsie, adding gym and locker room space at Marion, and renovation of the old portion of the Central Y.

Would you believe our bowling team is no longer tied for 1st? That's right. Thanks to an eight point night last Monday, the team is now up there all alone in the number one spot.

Sincere apologies to Clyde Sanborn and Walter Schultz, whose names were omitted from the list of long-time members. Clyde has been in the club for 47 years and Walter for 49.

Anniversaries - Dick McConnell October 14, 1964  
Dick Landis October 16, 1968  
Jim Oetken October 17, 1972

Happy Birthday to: Bob Gable October 13  
Don Aanestad October 15  
Mike Wilson October 18

Guests - Les Sykora visited from the Metro Club. Ed Colton's guest was Jim Doyne. Claude Jones' guest was Jack Woods. John Little's guest was Oscar Borden.

SOUL FOOD (via Al Gee)

THAT'S THE WAY I AM

Those who are resistant to change often excuse themselves by saying, "Well, that's just the way I am. You'll have to accept me as things are right now." When a person says that, he is saying that he does not want to go through the mental agony of honest self evaluation. He is also saying that he lacks the intestinal fortitude to even make an attempt to alter long-standing habits, beliefs, and practices.

You'll never grow as a person unless you are willing to strip off the veneer of superficiality and examine yourself honestly. All the ugly that's in you must be brought to light. Don't be so shocked by the ugly, however, that you fail to appreciate the good. The New Testament writer, James, says, "But he that looketh into the perfect law, the law of liberty and so continueth, being not a hearer but a doer that worketh, this man shall be blessed in his deed." (James 1:25) Change may be painful, but the rewards are worth any temporary injury to the ego.

BULLETIN

October 24, 1979

Program for October 31 - Our guest will be Bernard "Bing" Grahek, Hospital Administrator at Mercy Hospital. Don Aanestad has served as program chairman for the month of October. November's chairman is Bill Jameson.

Program for October 24 featured a film clip of the motion picture, "Jesus." Captain Ed Seger was in charge of the presentation, which included parts of the film and testimonies of people who had already viewed it. The film is the life story of Jesus as recorded in the Gospel of Luke. It will be shown at the Iowa Theater beginning November 2, with nightly showings and matinees on Saturday and Sunday. Tickets are available at the reduced rate of \$2 (Price at the door is \$2.50) before November 1. Call Jan Kleeman at Mercy Hospital, Rm 2329, or Captain Seger for more information. You won't want to miss "Jesus."

Happy Birthday to Orie Lawrence, October 22.

Anniversaries: Dick Landis October 16, 1968  
Frank Vavaris October 21, 1978

Guests included: Steve Stremel, whose host was Bill Steadman; and Norval Eells, who was the guest of his son Norman.

Would you believe: We no longer have to go through the confusing brown-and-white bit when we sing our songs? Our new, blue, spot-proof song books with words and music have arrived. Our fearless song leader Claude Jones, along with our fine pianist, Fran Brown, are already thinking in terms of the Olympics.

Would you believe, also, that the bowling team is still in sole possession of 1st place. (If the song books have arrived, can the bowling shirts be far behind?)

Board Note - Bob Omar has been nominated to fill the term of Dutch Schultz on the Board. An election will be held next week.

Questions still remaining: Concerning the "washer and dryer" given to President Wally Brown: Is it proper for a non-profit organization to give such expensive gifts? Who was that doing Wally's washing? Will Texas count as an inter-club?

Overheard: Little boy outside of someone's church: "Oh, the music was okay, but the commercial was too long!"

SOUL FOOD (via Al Gee)

I was engrossed in the message of the news reporter when suddenly my attention was diverted by a little melodrama taking place just beyond the front wheels of my automobile. A small dog was trying to catch a chipmunk. My only option as a driver was to slam on my brakes. I thought about the dog's stupidity. He had been willing to risk getting smashed by a 3,000 pound automobile just to catch a tiny animal.

Then I thought about homo sapiens. I have known members of that particular species to arise early in the morning and leave home before other members of the family are out of bed. When others are enjoying an evening meal with the family, he's out entertaining a business client. Finally, late in the day he tumbles into bed and falls into an exhausted sleep. He's climbing the ladder of success at the price of stomach ulcers, frayed nerves, an estranged family, and a totally worn out body. Maybe dogs aren't the only creatures who seek a reward that is not worth the risk.

WEEKLY

BULLETIN

October 31, 1979

Program for November 7 will be "The Old Cherokee" from WMT, Jerry Carr. Sounds like a very interesting program. (Don't look for any pilgrims to accompany him, Jim, it's still too early.)

The October 31 program featured Bernard "Bing" Grahek, Administrator at Mercy Hospital, who talked with us primarily about preventative medicine. Need for the preventative approach is indicated by the fact that: 50% of our population is overweight, there has been a drastic increase in smoking among teenagers, alcoholism is on the increase, and high blood pressure and heart disease are the main causes of death in the U.S.

Mr. Grahek sees an emphasis on preventative medicine as the goal for the 80's among hospitals. Unless this happens, he feels we will be faced with health care "rationing." Mercy programs to achieve this end include the following:

- Tension release through yoga, meditation, prayer, etc.
- Weight reduction through exercise and diet.
- Headache/backache therapy
- Treatment of alcoholism
- Geriatric services

Welfare Report - Our friend from Vinton, Perry Hummel, is in St. Luke's 461 recovering from eye surgery.

Bowling Report - Our team continues to roll over the opposition, taking all 8 points last Monday and still up there in first place. (And they said the age of miracles was past!)

Anniversary - Tom Saxton October 30, 1978

Our music program was cut short Wednesday because our pianist was absent. Hurry back, Fran, we missed you!

Board Meeting Tuesday, November 6, at noon at the Roosevelt

Double congratulations to Bob Omer. Not only did Bob and his wife have a baby girl, Bob was also elected to the Board of Trustees.

A note of thanks from Sherrif Orly Workman for money received from the Downtown Kiwanis Club for the purchase of a bloodhound. Absentee Kiwanians should take note that we will go to any length to locate you and get you back to Kiwanis meetings.

## Think It Over

The essential difference between the unhappy, neurotic type person and the happy, normal person is the difference between get and give. The unhappy person is concerned with "the world is against me" and "what's in it for me," "what are people doing to me," and so forth. When your central theme in life is getting you usually do get headaches. But the happy person is looking toward what he can do, what he can give, what he can accomplish.

WEEKLY  
NEWS  
BULLETIN

November 7, 1979

Our Speaker for next week, November 14, according to November Program Chairman Bill Jameson, will be Chief Raymond Baker of the Cedar Rapids Police Department.

Program for November 7 featured the "Old Cherokee from WMT", Jerry Carr whose stories centered around Indian maidens and unsteady baseball pitchers (the-beer-that-made-Mel-Famey-walk-us story). Another of Jerry's claims to fame is snow-fall forecasting. (I imagine it gets pretty deep out around WMT). All in all Jerry had a captivating presentation and was enjoyed by all.

Anniversaries      Larry Fishwild      November 6, 1973

Bob Dye      November 10, 1971

Happy Birthday (in advance) to Jim Oetken November 11

Guests Phil De Voe, formerly of Quaker Oats was Charlie McIntyre's guest. Our other guest was John Geis who admits going to college with his host, Jim Oetken

Our Bowling Report still puts our team in 1st place in the league. That is in spite of a 2-out-of-8 night. Hang in there men, we're all behind you.

Attention all Salad Bar users: There won't be any more after this week (salad bar that is). I think Wally said that was the bad news.

Past President Jim Oetken made presentations to last year's Board of Directors of gifts made by Cedar Rapids handicapped persons. He encouraged Kiwanians who were in the market for similar gifts to consider what these folks are doing.

Dear Betty

How true that "parting is sweet sorrow"

Such "parting" you will know tomorrow.

From 39 you hate to sever,

But only Jack Benny could stall forever.

Respectfully yours

Jim

We had a good turnout of members last Wednesday, but too many of you guys are still missing. Hope to see you all next week.

Your editor

John Little

Chartered December 9, 1920

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

November 14, 1979

Next week our guests will be from the Linn County Sheriff's office and will include a couple of bloodhounds. Members who have been absent three weeks or more are asked to send in an old shirt or shoe and we'll try to locate you. Better still, why not do yourselves and the dogs a favor and attend our meeting next Wednesday?

Meeting for November 14: Our speaker was Cedar Rapids Police Chief Raymond Baker who shared some statistics on crime in Cedar Rapids. Chief Baker pointed out that although major crimes in Cedar Rapids were up 3 % the last six months that the national average is much higher. Accident rates, although up slightly overall, were down dramatically at the ten "most dangerous" intersections as a result of the intersections being identified by local radio stations to alert the public.

Although the causes of crime are multiple, one of the major causes is the use of drugs. Chief Baker feels that one of the best ways to combat this is through the education of young people to the danger of drugs.

Guest Gerell McAnn was the guest of Bill Jameson

Anniversary Dan Raddewig, November 15, 1978

Welfare Report All Kiwanians are in good shape with the exception of John Emmons who stepped in a prairie dog hole.

Our Bowling Team is still rolling along in great style even though they only had three members on the team. They are looking for help so if you are interested call Ed Colton or some other member of the team.

New Member Gerell McCann was accepted as a new member in Kiwanis by recent action of the Board of Directors.

Charlie McIntyre attends Girl Scout meeting: Charlie reported that he participated in the initial meeting of a new Girl Scout troop at Tyler Elementary School. The girls wanted to express their appreciation to the Downtown Kiwanis Club for their help in getting the troop started. We provided some of the materials necessary to get the group started.

SOUL FOOD (material provided by Al Gee)

Teens who turn to alcohol and drugs don't need our scorn. You may consider their behavior a moral outrage, but fuming and fussing won't alleviate the problem. . . We need to make ourselves available to open up channels of communication wherever possible. We need to get into the business of healing broken lives and preventing further erosion of our most precious resource.

WEEKLY  
NEWS  
BULLETIN

November 21, 1979

Program for November 28: Our guests will be Bill Bjornson, Director of the Linn County Metro Civil Defense program, and Dave Wilson, of Iowa Electric discussing the subject of "Nuclear Power and Protection."

Meeting for November 21: November Program Chairman Bill Jameson introduced our guests from the Linn County Sheriff's department, Deputy John Hromidko and "Molly" his attractive assistant, a bloodhound. Molly is relatively new and replaces Pike, a dog that John worked with for a couple of years with good success. John cited the finding of a little boy who had been missing for 12 hours and the subject of an intense man hunt. Using Pike, John found the boy in about an hour. If you are aware of a situation where a dog is needed you should call the Sheriff's office immediately. Don't wait until a "last resort" situation develops.

Anniversary: Tom Heabel, November 23, 1972

Birthdays: Rick Chandler, November 19  
Dutch Schultz, November 23

Bowling Report: In spite of a 2 point night the team is still holding on to first place.

Have you quit Kiwanis? A minister I heard of recently, used to ask members who had been absent for 3 or 4 Sundays (or more) why they had quit the church. When they denied that they had, he would ask: "Well, let me ask you this: If you ever DID quit the church, just what would you do that you are not now doing?" Fellow Kiwanians, if you are not attending meetings, you may want to ask yourself a similar question. Why not make that New Year's resolution a month early and become a regular attender of Kiwanis?

Next Week's Program: The speaker for December 5th will be David Hammond, Extension Resource Development Specialist with the Seven County Iowa State University Extension Service located in Cedar Rapids. Among his many credits, Dave has a Ph.D. in Economics from Iowa State and will talk on "Drive Your Drink" regarding the production and use of alcohol as gasohol and other energy sources. Dave has done a great deal of work in energy and policy management programs, and this should prove to be an interesting and timely topic.

Program for November 28: Our guests were Bill Bjornson, Linn County Civil Defense Director and Dave Wilson, Technical Engineer from Iowa Electric. Mr. Bjornson told us what is done when an "unplanned event" occurs such as a flood, tornado or a nuclear plant breakdown. Mr. Wilson talked about the need to educate the public in regards to the production of nuclear power. In response to the question "Could a Three Mile Island accident occur here?" Dave said it was unlikely. He gave the following reasons for his opinion: 1. At Three Mile Island the reactor used much higher pressure than at Iowa Electric. 2. Iowa Electric has more sophisticated water level monitors than Three Mile Island. 3. Nuclear plant personnel has learned from Three Mile Island. He also pointed out that the NRC now requires a technical advisor on every shift who is supposed to know what to do if a malfunction occurs.

Happy Anniversary to Dr. Fenner who joined Kiwanis November 30, 1933. By the way, Dr. Fenner also has a record 44 years of perfect attendance.

Happy Birthday to Charlie McIntyre on November 27.

Welcome to Wayne Wood who was a guest of Jim Oetken. Wayne is an active Kiwanian and is Director of Student Activities at Kirkwood College.

This has been a great year for our bowling team. They were in first place for a number of weeks. (Jim, if you guys have a patron saint for bowling, maybe we better call on him).

Next week the Kiwanis meeting will feature Mr. Keith Young, Radiation Protection Engineer for the Duane Arnold Energy Center in Palo. Mr. Young has worked in this capacity for the past four and one-half years, and will be discussing "Radiation Safety."

Meeting for December 5: Our speaker was Ken Quinn of Iowa Shares. Shares is an acronym for Sending Help To Aid Refugees and End Starvation. Mr. Quinn is a State Department employee on loan to Governor Ray's office. He showed us slides of the situation in Cambodia, illustrating the almost unbelievable starvation and suffering on the part of the people there and urged us to send our contributions to: Share - Box 1979 - Des Moines, Iowa 50306. He gave us his assurance that the money would be wisely spent and closely supervised. Accompanying Mr. Quinn were Rabbi Robert Ourach and Mr. Lou Van Ostrand.

Anniversaries:

Aaron Randolph	December 7th, 1976

Birthdays:

James Swain	December 6

Guests: Mike Burd was the guest of Rich Altorfer and Wayne Wood was the guest of Jim Oetken. Wayne is our newest member.

Don't forget your Bell Ringing assignment (if it isn't too late already). Call Guy Ames if you have questions.

Congratulations to Jim Oetken and Del Block for special District awards. Last year our club took the Club Activity Score Plan award and the Inter-Club award.

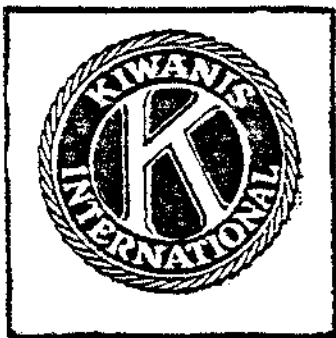

From the Committee on Spiritual Aims: "Christmas waves a magic wand over this world, and behold, everything is softer and more beautiful. If only for one short day, ill will set aside, and the effect upon our lives is miraculous. What an astonishing contrast Christmas creates in the upsurging of love and kindness in men's hearts! Everyone is happy.

The mental and spiritual health-giving quality of goodwill refreshes mankind like a tonic. Nothing during the year is so impressively convincing as the vision Christmas brings of what this world would be if love became the daily practice of human beings. What a world we will have when at last men heed His wise advice to "love one another"!

Ladies are invited to our next meeting, December 19. Joe Greenlief, our December program chairman has invited the 76th Street Coalition, a musical group from Prairie High School to sing for us.

On December 12 our speaker was Kieth Young, Radiation Protection Engineer at the Duane Arnold Energy Center at Palo. Kieth is in charge of employee protection and waste disposal and tried to put the concept of radiation safety in its proper context. He pointed out that there are seven sources of radiation: Natural radiation (the sun, etc.), medical exposure (x-rays), nuclear weapons, fossil fuel, nuclear energy, consumer products, and miscellaneous. He contends that the production of nuclear energy provides no more radiation exposure than a number of the sources of radiation mentioned above. Hope it's not a case of "choose your poison!"

Committee meetings are scheduled for Wednesday noon December 26 in lieu of a regular program. Committee chairmen are urged to contact members of their committees and encourage them to attend.

Wayne Mead	December 12, 1961

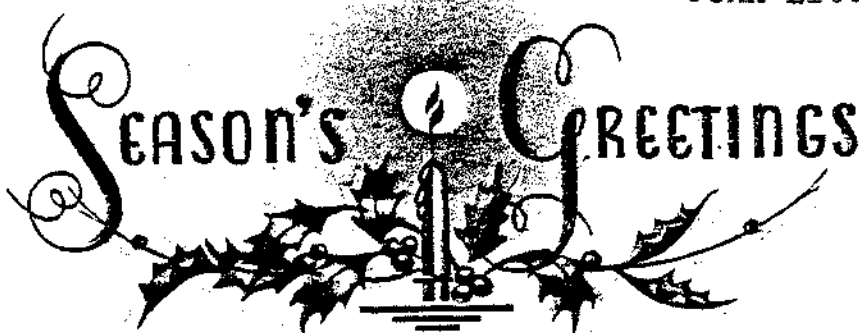

Our Bowling Team is hanging tough, taking 4 out of 8 points last Monday. Al Gravelle and Duane Kurrelmeyer both had 200+ games. The team is still looking for additional bowlers so contact a team member if you're interested.

Thanks: -to Guy Ames for chairing the Salvation Army Bell Ringing this year.  
-to all of you bell ringers. Our total collection was \$185.76.  
-to Claude and Fran who have made singing at Kiwanis a real pleasure.  
-to Jim Oetken for a thoughtful prayer and for remembering the hostages.  
-to Bob Armstrong for a real test of skill - singing and clinking at the same time.  
-to President Wally Brown for giving us a chance to participate in Share. (We did so well, he may try it again next week)!

For the uninformed or forgetful - Our "old buddy" Bill Jameson was collecting "pin money" last week and threatens to do it again. He has his eyes peeled for people who don't wear their Kiwanis pins and fines them accordingly.

See you all and your beautiful Kweens next week.

December 26 - Committee Meetings - Downtown Kiwanis will meet on December 26 for a regular meeting but the program will consist of committee meetings. Committee chairmen should encourage all committee members to attend.

On December 19 Kiwanians and their wives were entertained in fine fashion by "The 76th Street Coalition," an outstanding group of young people from Prairie High School. Their director is Mr. Russel Price. They presented a variety of holiday songs and closed with "O Holy Night" to remind us of the real meaning of Christmas. A special thanks to these young people and their director for adding to our Christmas joy.

Guests on Wednesday included a number of wives as well as Jack Wood, Claude Jones guest; Byard Braley, Don Aanstad's guest; Allen Thompson, Duane Kurrainmeyer's guest; Loren Coppock, Bill Steadman's guest; and Harold Ward, representing the Metro Club.

Happy Birthday to Howard Vander Schaaf, December 16.

President Wally noted that we had received our Diamond Growth Award patch to be attached to our banner.

Thanks for caring - Downtown Kiwanis contributions to Iowa Shares total \$129.02.

Future Programs - January program chairman John Emmons has the following programs scheduled:

January 2 - Marlyce Haidl, Executive Director, Cedar Rapids Convention and Tourist Bureau.

January 9 - Mrs. Florence Masters, Associate Head of the Foreign Language Department at Kirkwood College

From the Spiritual Aims Committee:

"Are you willing to forget what you have done for others and to remember what others have done for you; to ignore what the world owes you and to think what you owe the world; to stoop down and consider the needs and desires of little children; to remember the weakness of those no longer young; to stop asking how much your friends love you and ask yourself whether you love them enough? Are you willing to do these things even for a day? If so, then you can keep Christmas, and if you can keep it for a day, why not always?" (Henry Van Dyke-1852-1933)

Merry Christmas to all Kiwanians and your families!

Your Editor,  
John Little
